

# VELAMMA

Episode 3 *How far would you go for your family?*

**SCRIPT BY: DESHMUKH**  
**ART BY: ILSHVALINUR**

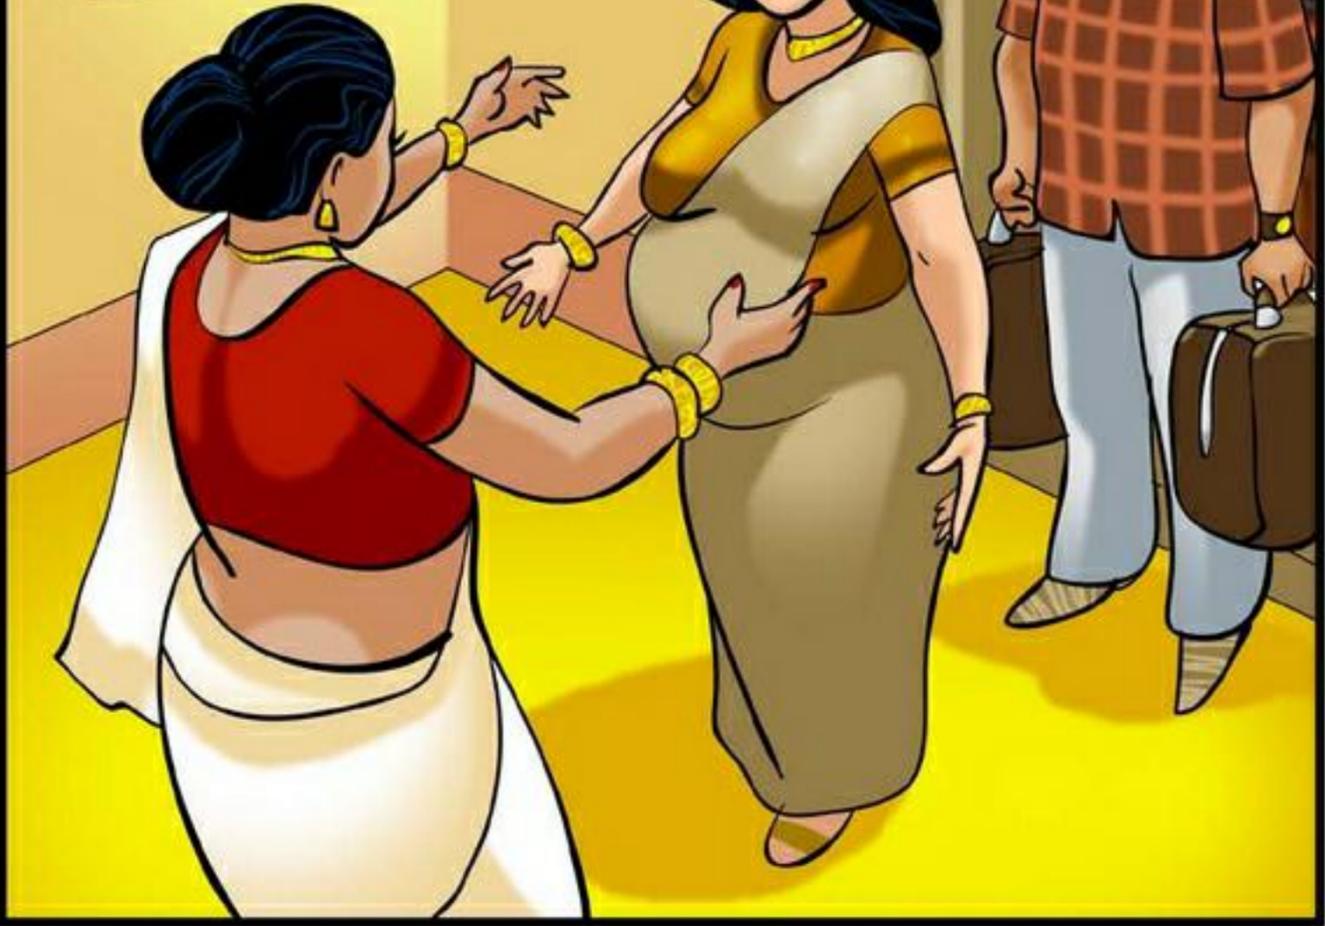

DING DONG  
DING DONG

Oh that must be Nami

Oh Nami, you're here at last!

Chechi, thank you so much for having me here for my delivery. Being pregnant is so difficult!

Nonsense, you are my baby sister. Where else will you go!

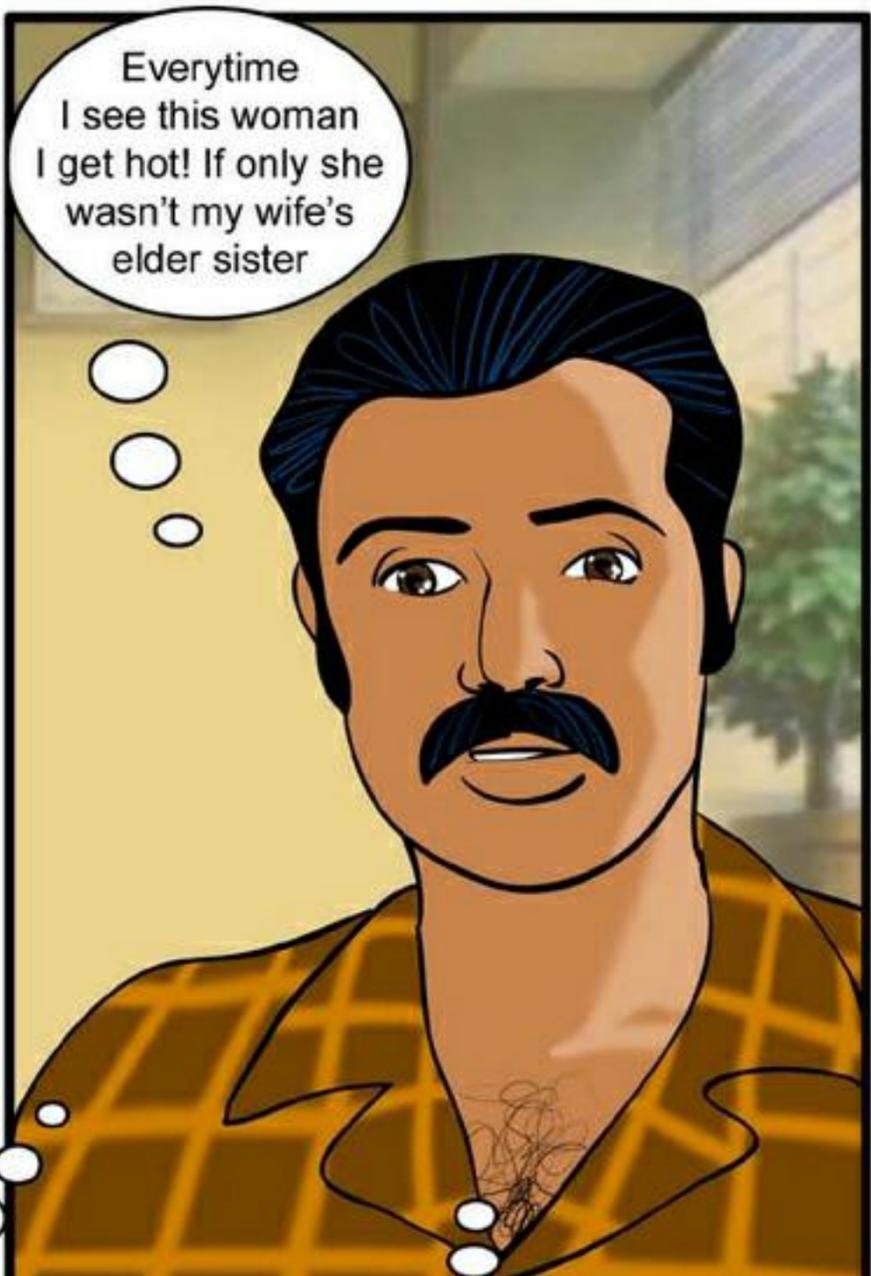

Arre Devarji, please sit down. Let me get Prakash to help you with the bags

Prakaaaash

Everytime I see this woman I get hot! If only she wasn't my wife's elder sister

I wonder how her blouse manages to hold those huge boobs of hers in place

Namitha hasn't allowed me to have sex with her in the past two months. I wish I could just rub my dick in between Lakshmi's huge breasts

**Devarji!**

NEXT DAY

Are you sure you don't want to go with the others to the park Nami? It will be good for you

No chechi, I am too tired. I just need to sleep a while

Don't worry about us, chechi

Let her rest and I will watch some TV. You please continue with your work. Don't let us disturb you

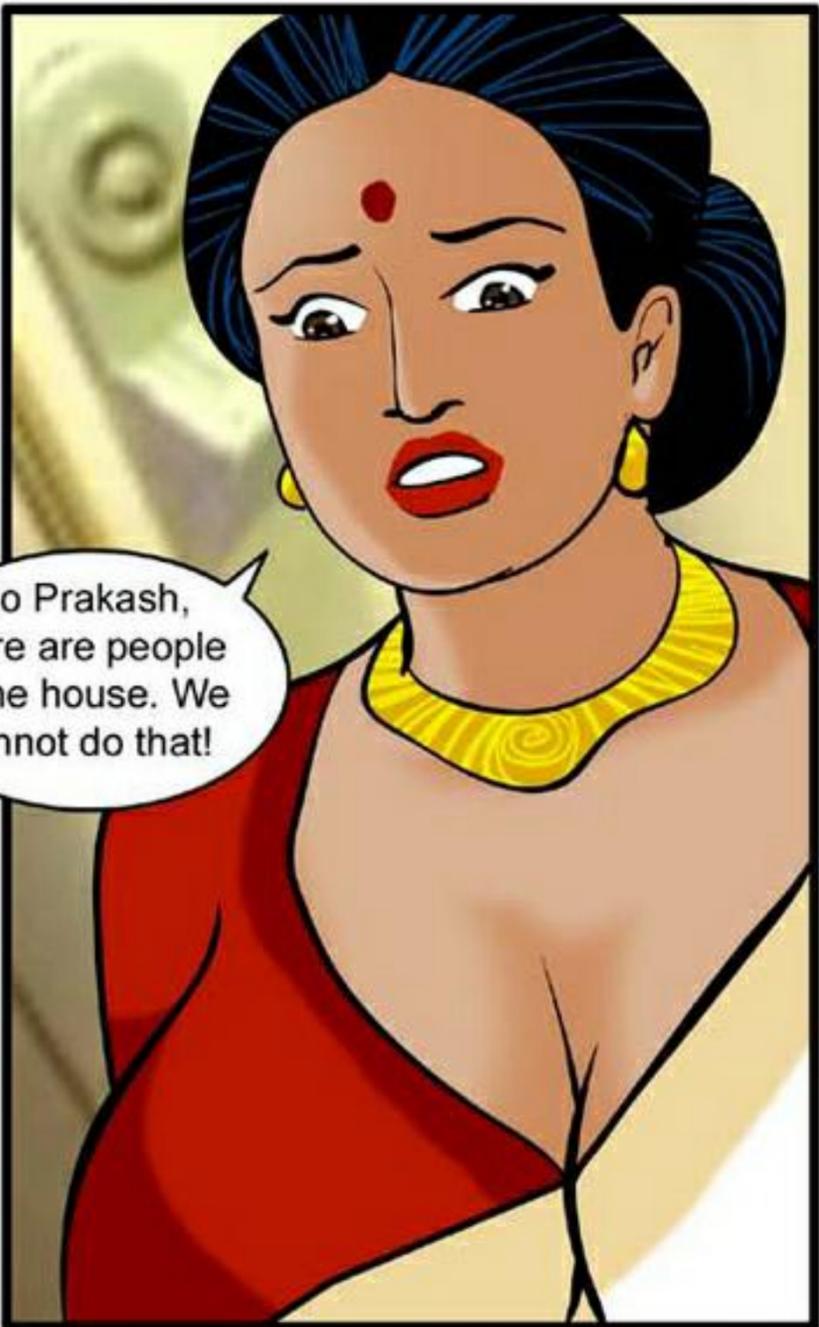

Ok, I will be making dinner. Let me know if you need anything

LATER...

Velamma...

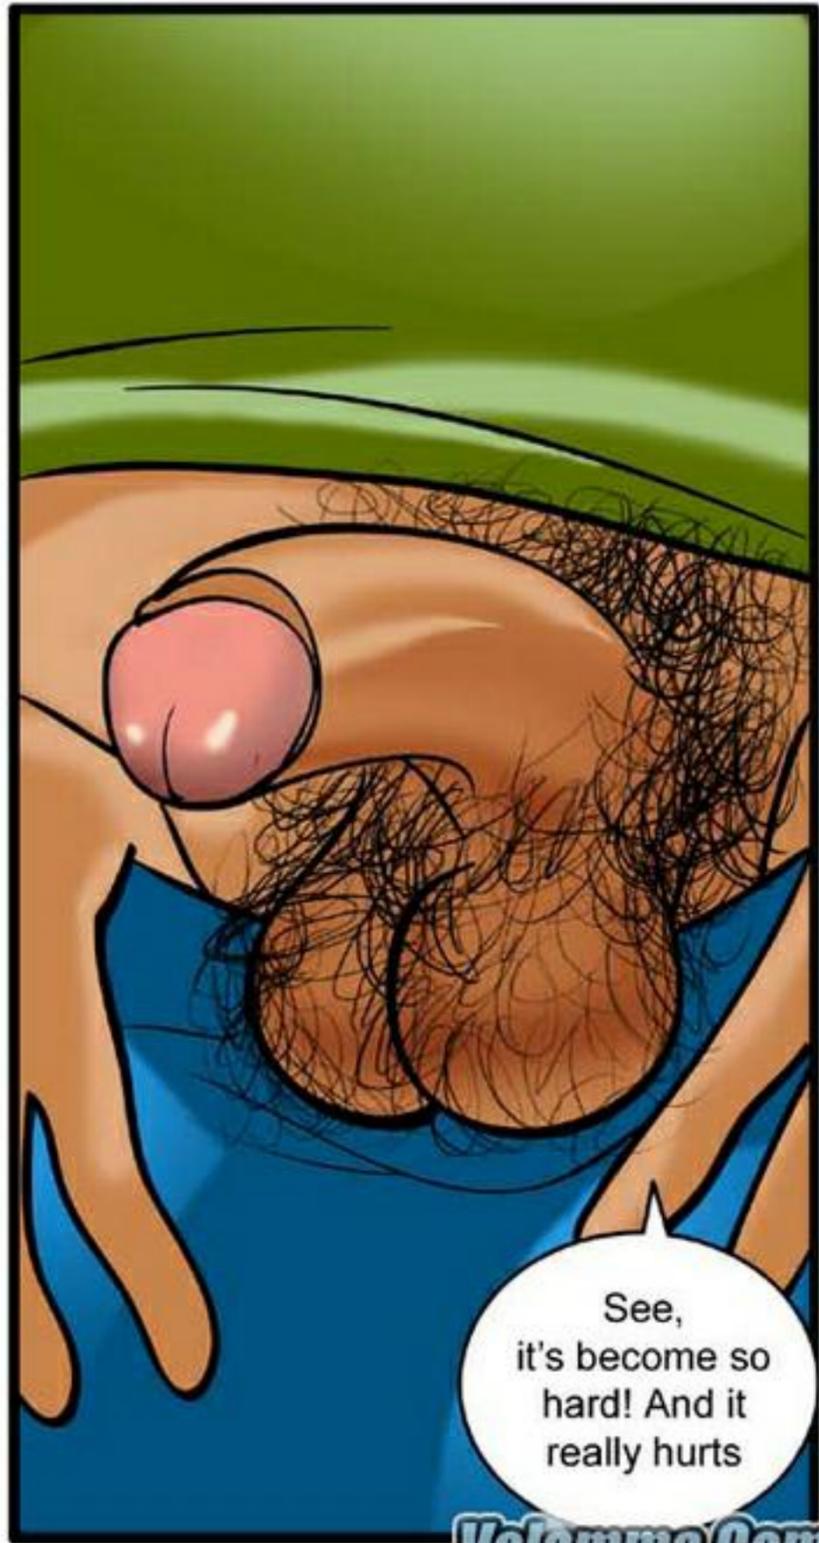

Velamma,  
it is hurting again.  
Can I get another  
massage?

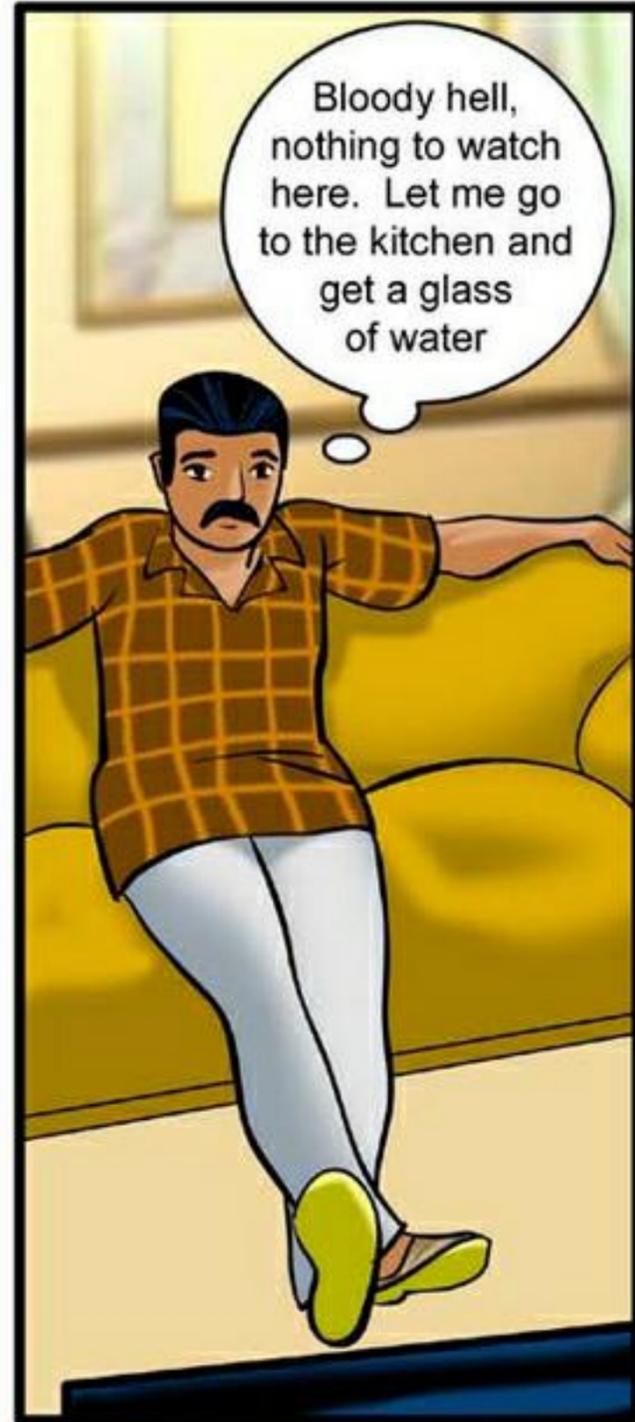

No Prakash,  
there are people  
in the house. We  
cannot do that!

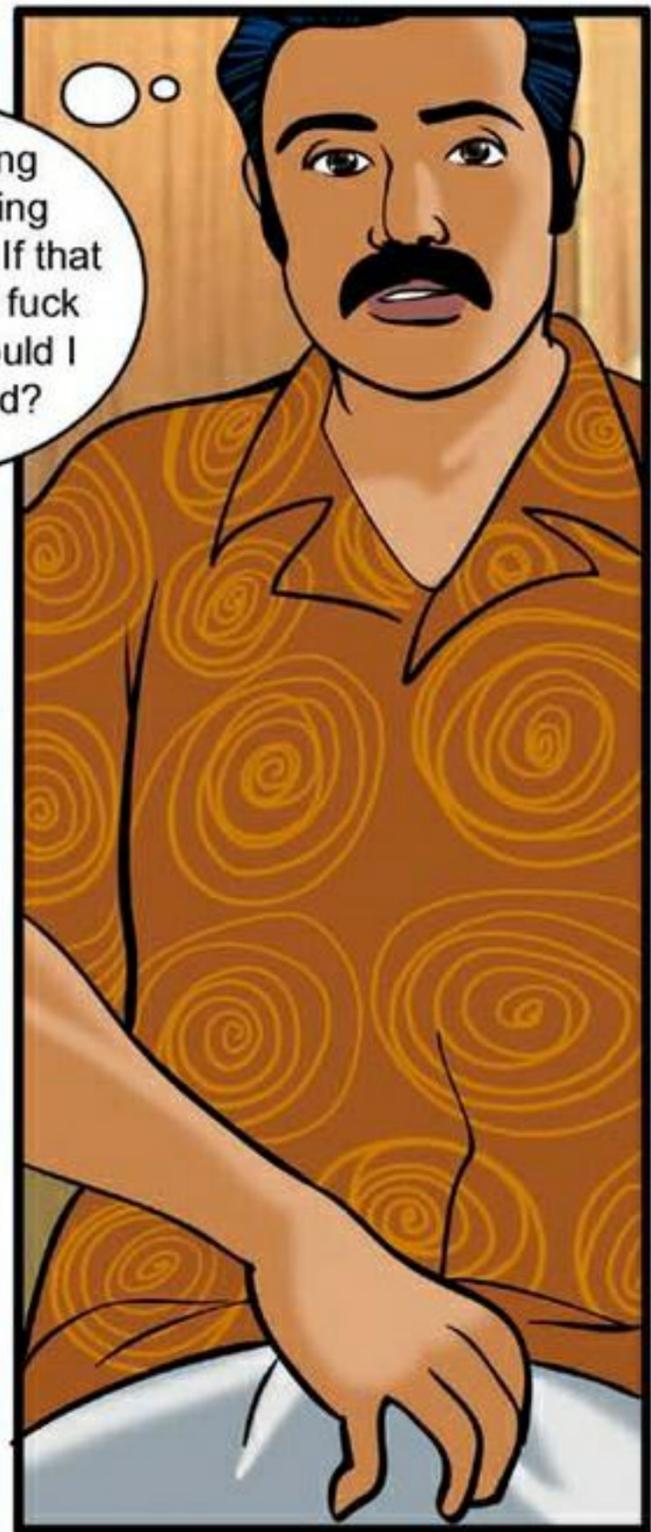

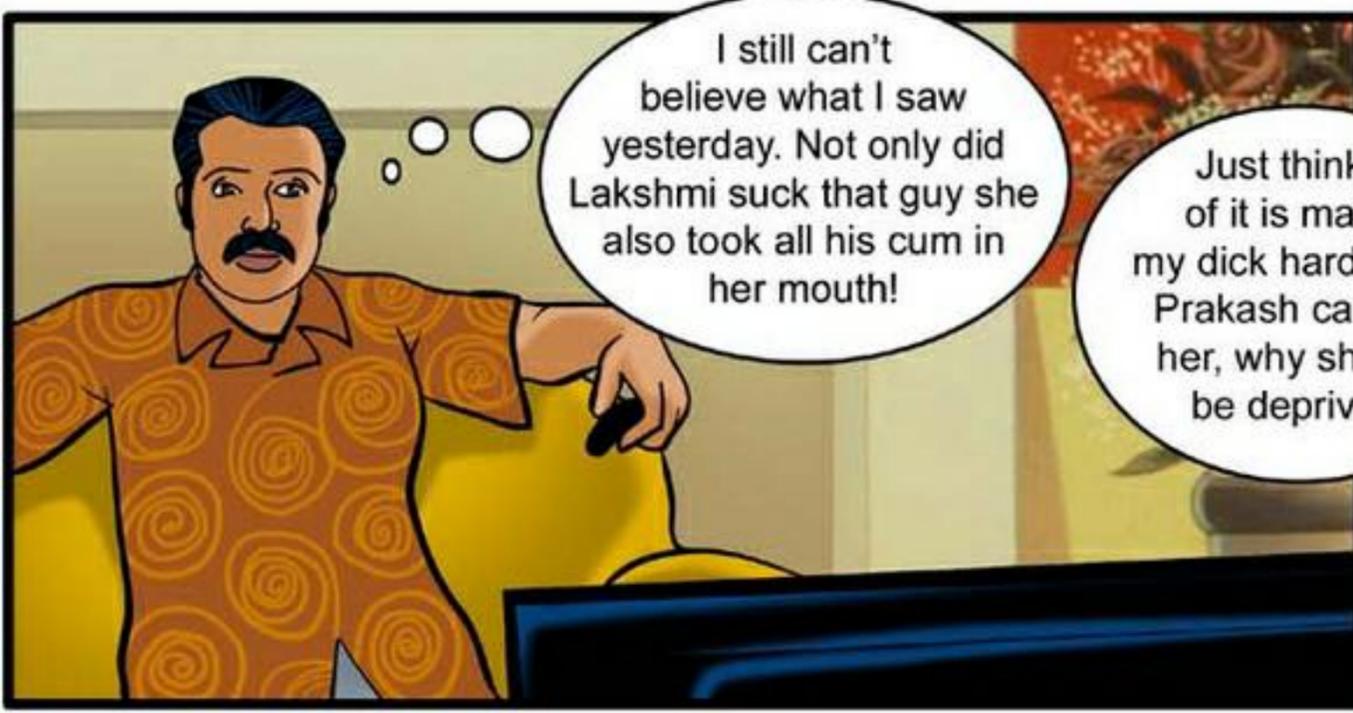

But it's  
my last day here  
today, please!

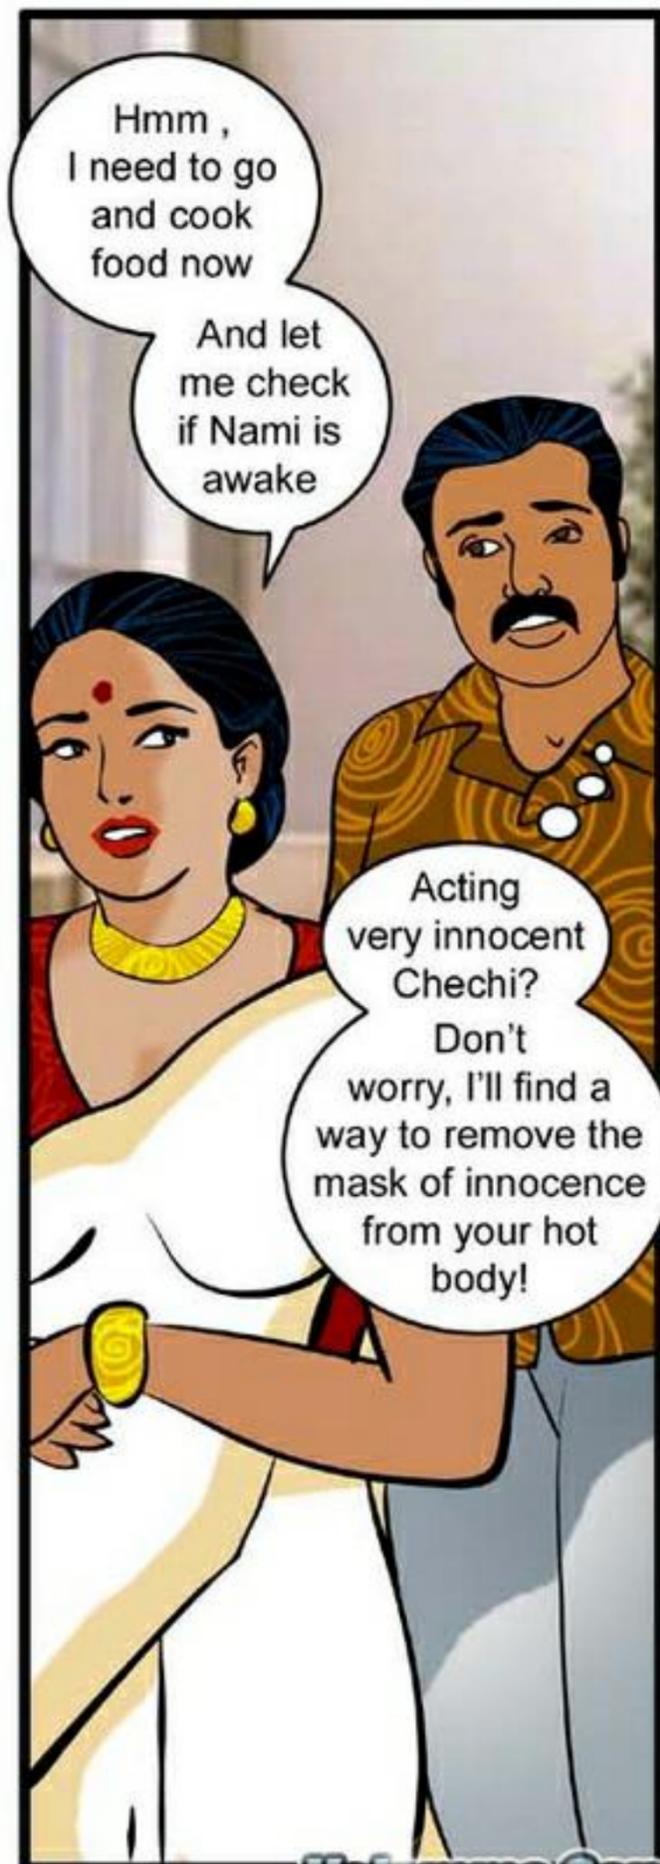

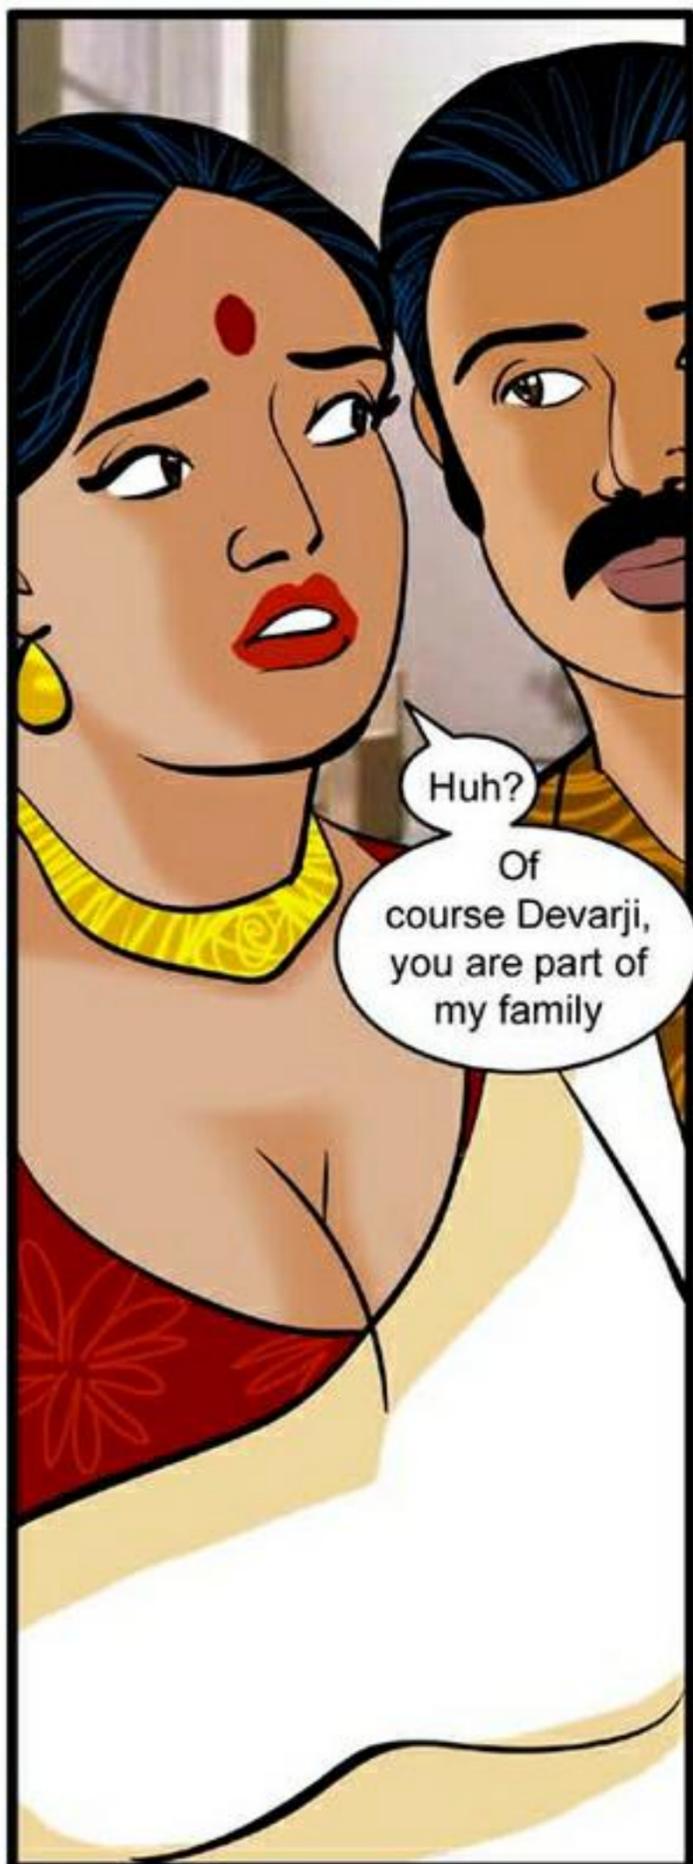

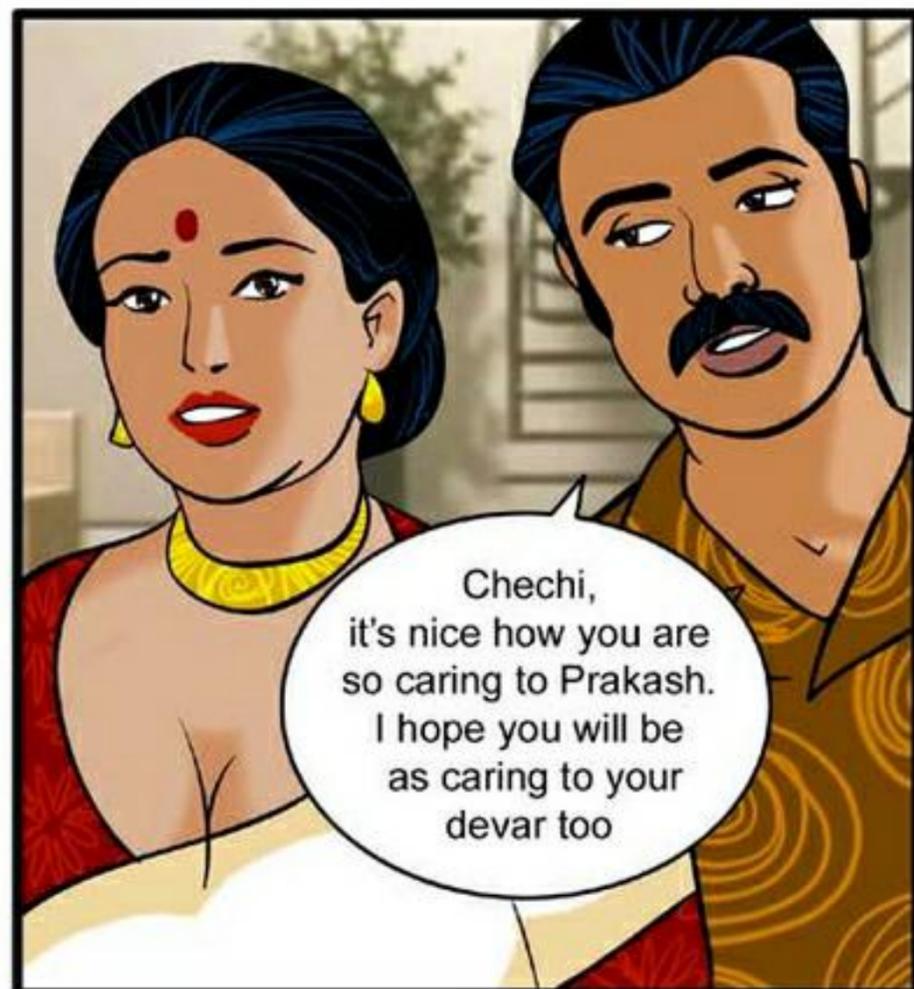

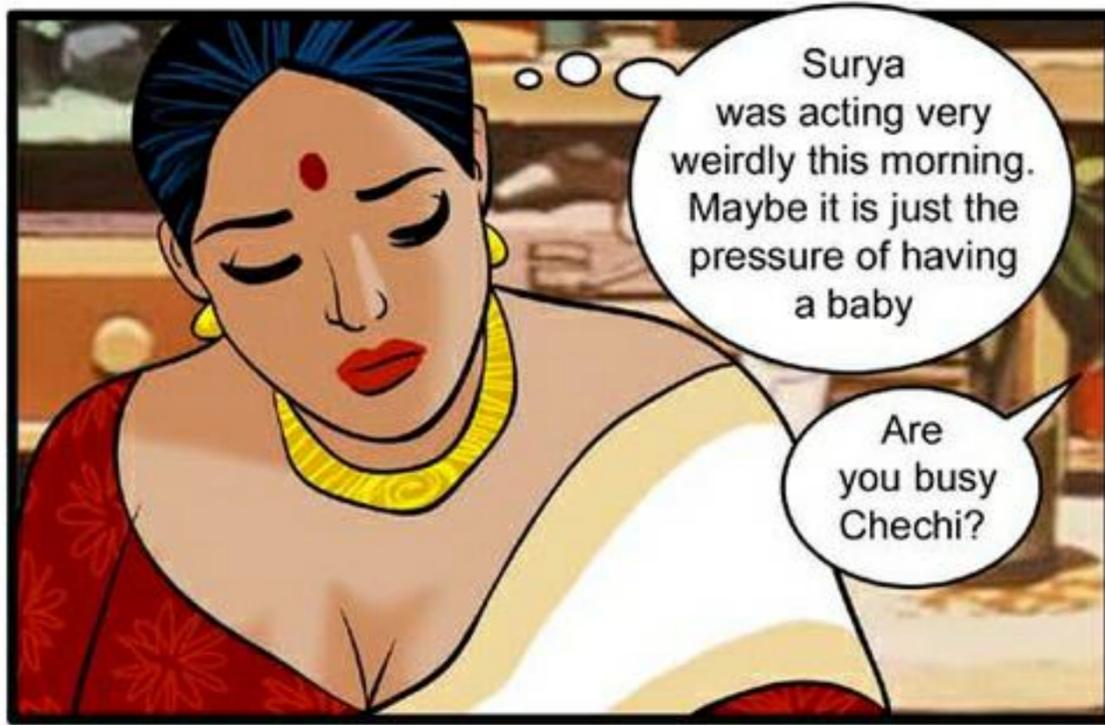

See,  
it's become so  
hard! And it  
really hurts

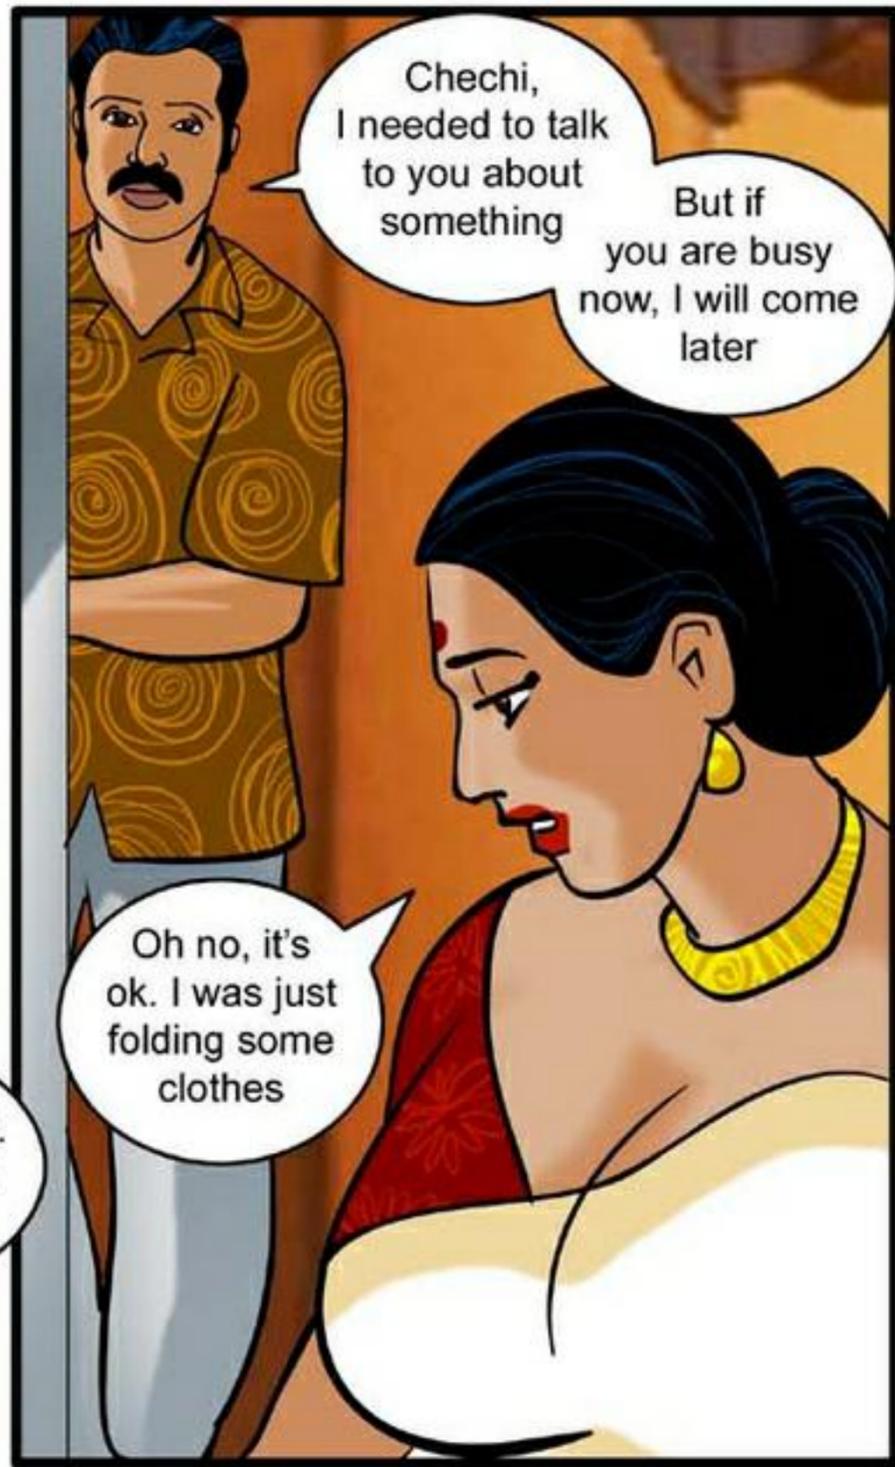

Surya was acting very weirdly this morning. Maybe it is just the pressure of having a baby

Are you busy Chechi?

Chechi, I needed to talk to you about something

But if you are busy now, I will come later

Oh no, it's ok. I was just folding some clothes

Actually Chechi, it's a bit of a sensitive topic. But I don't know who else to speak to except you

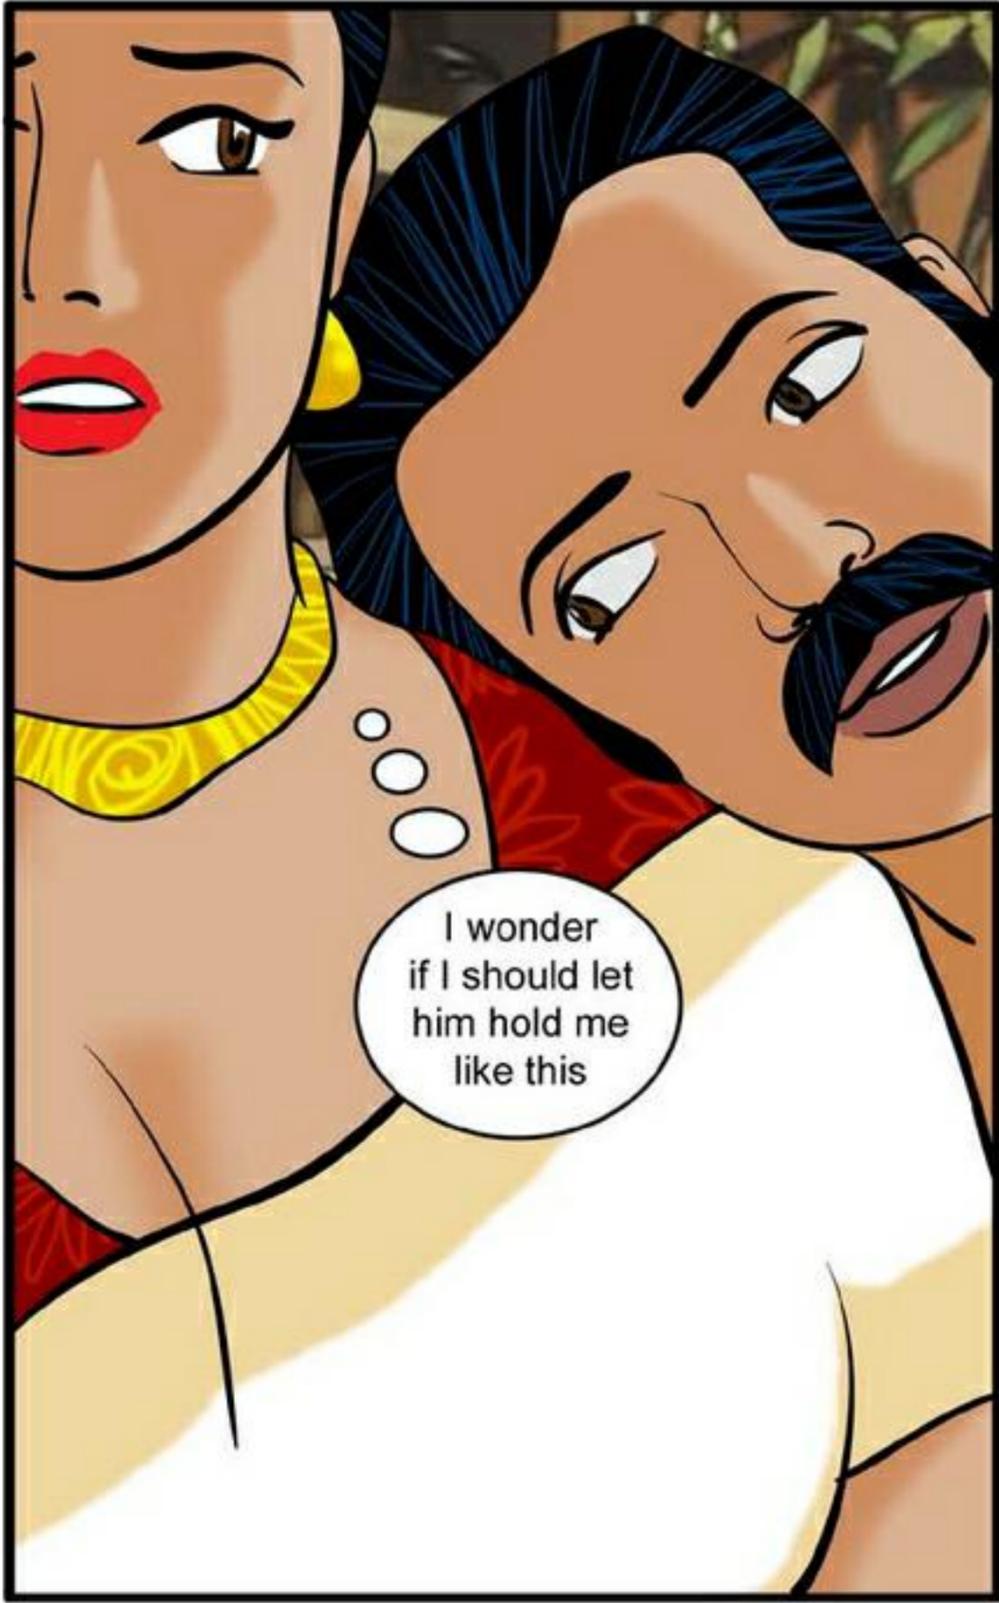

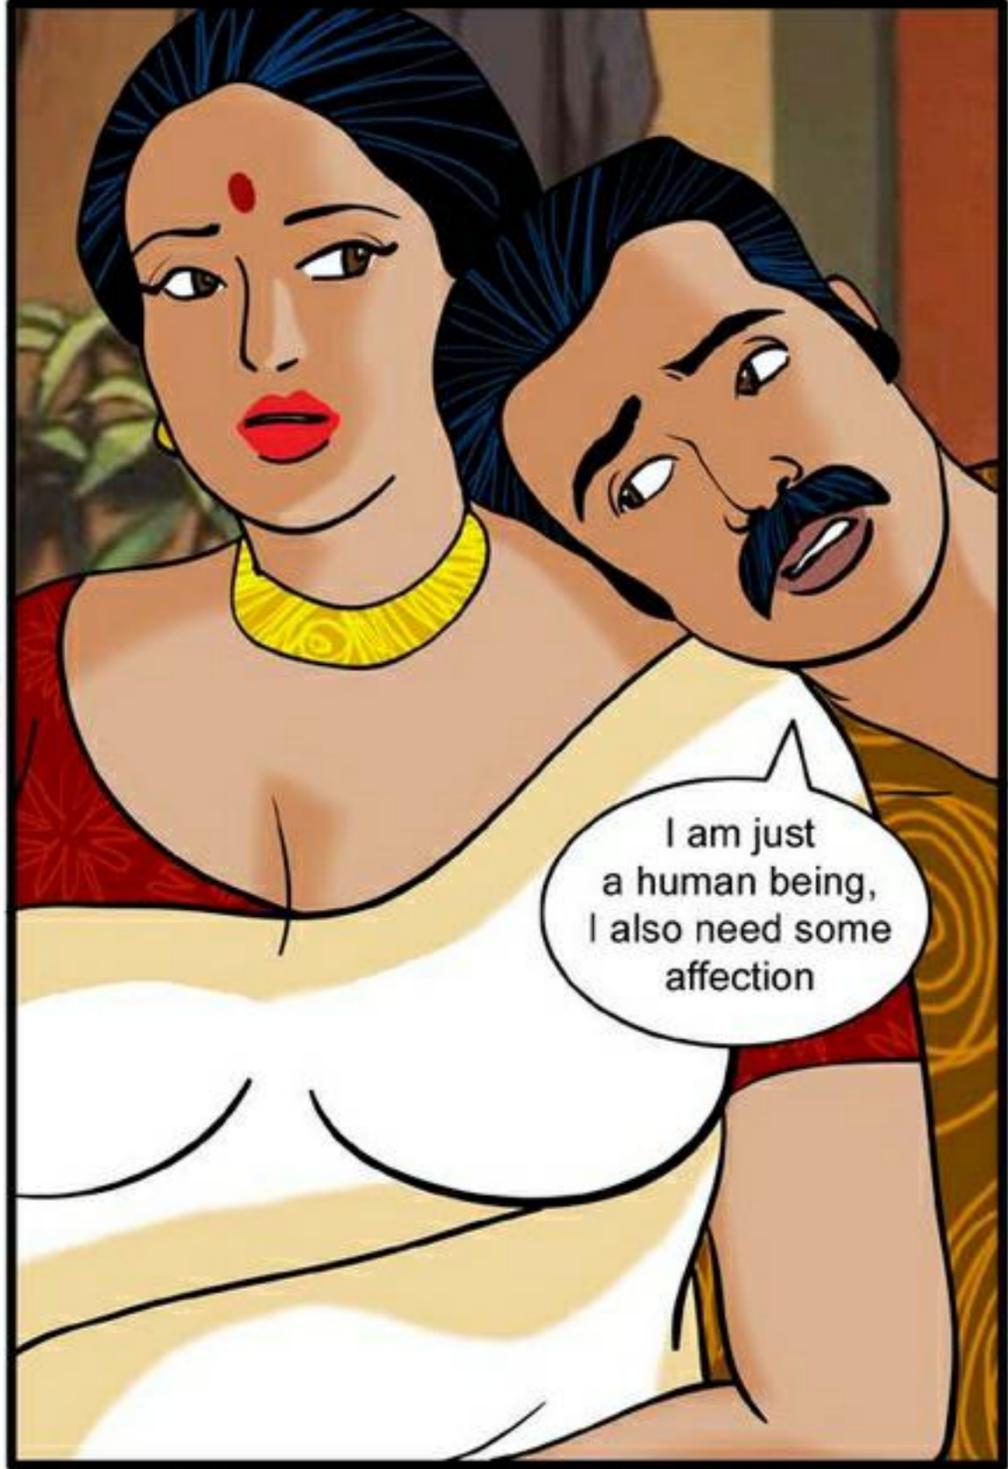

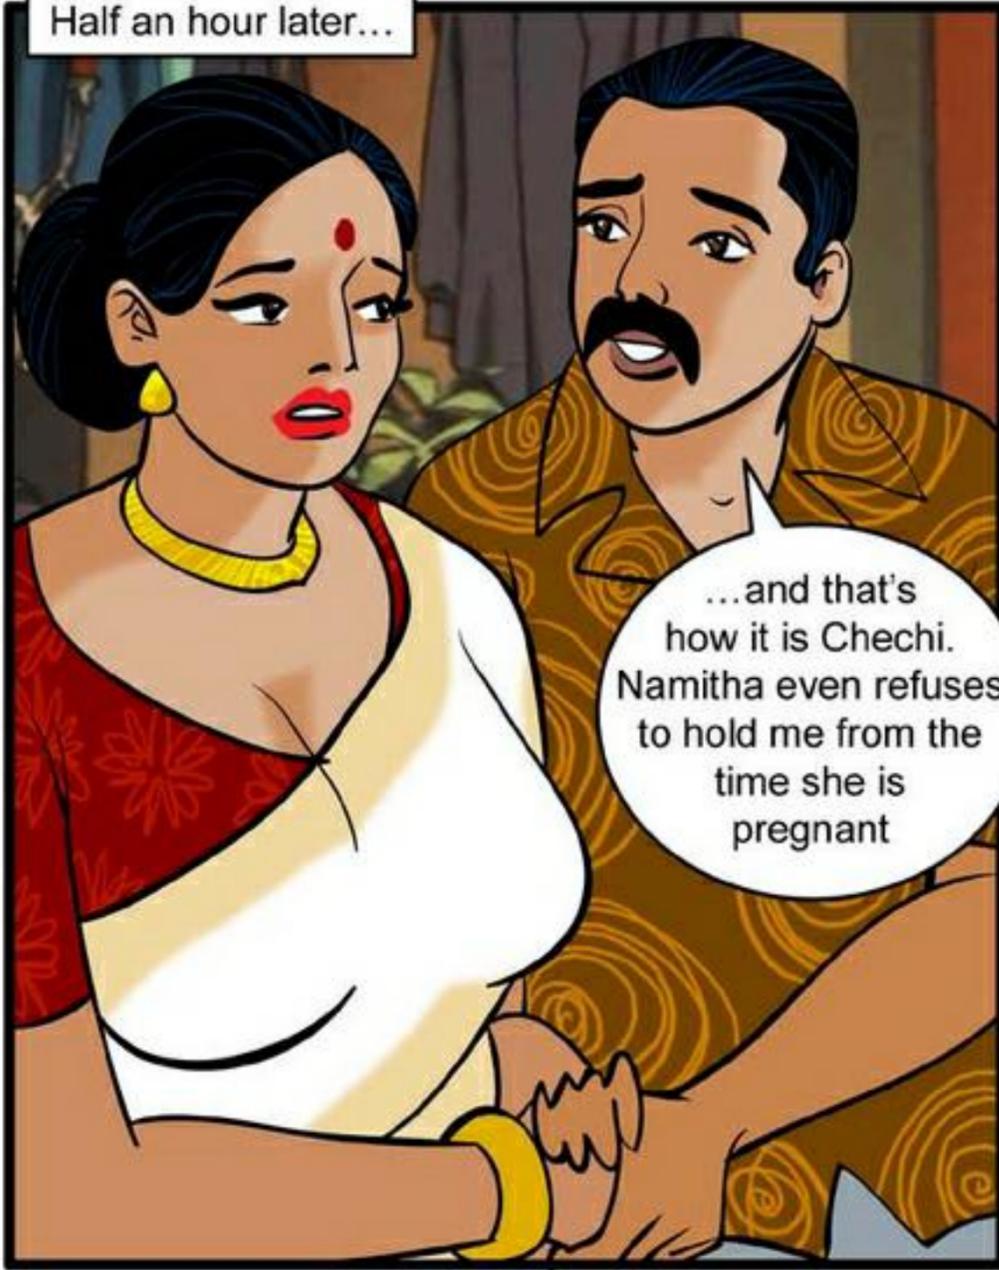

You can tell me about anything

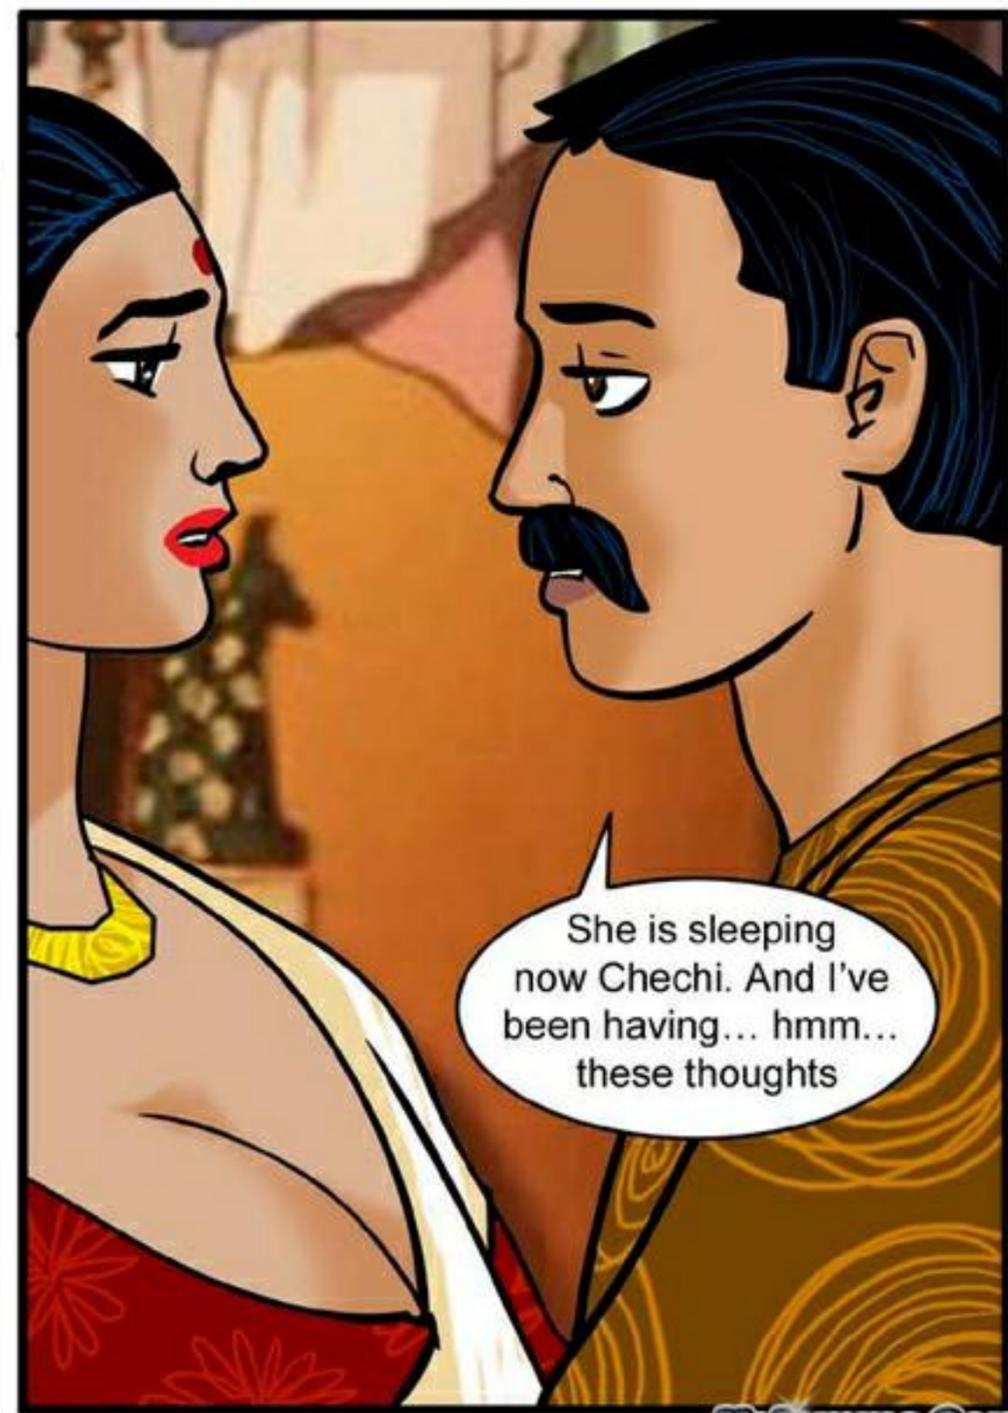

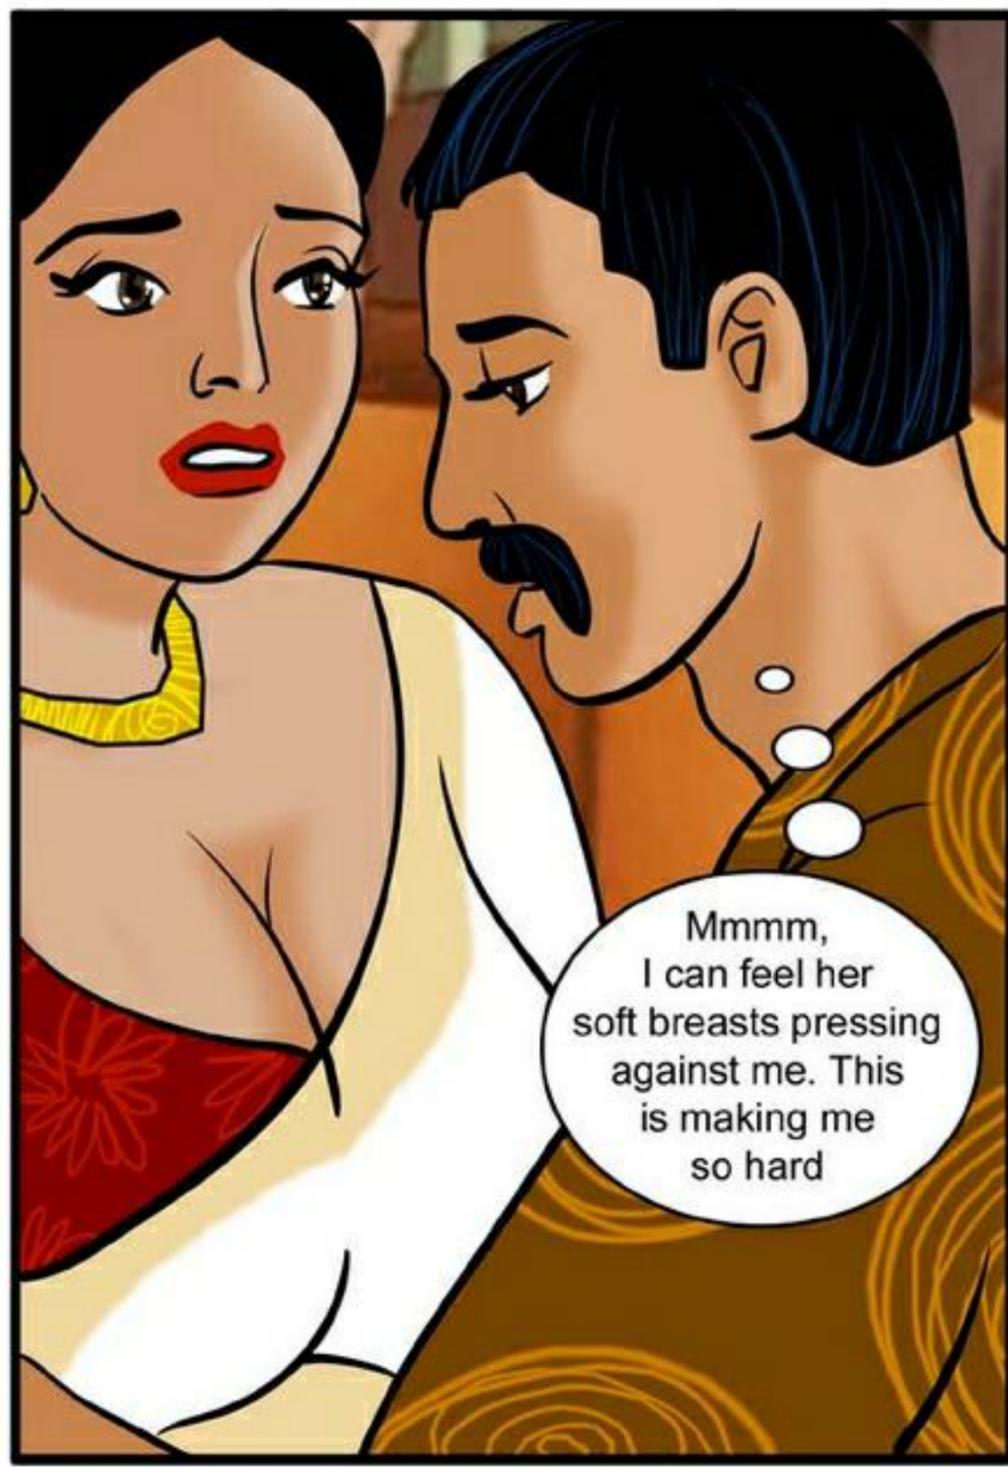

Here, sit down

Chechi, I've been feeling very neglected in the past few months...

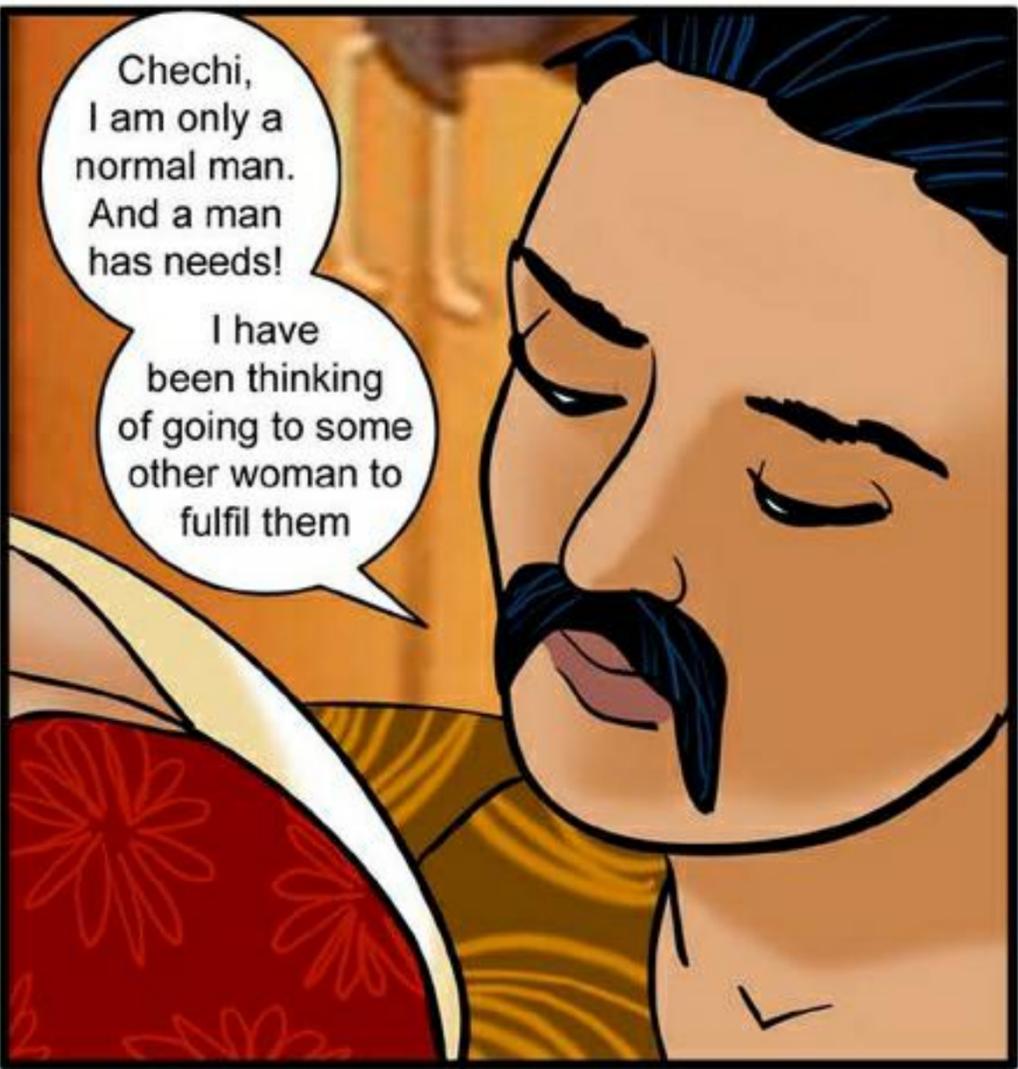

Half an hour later...

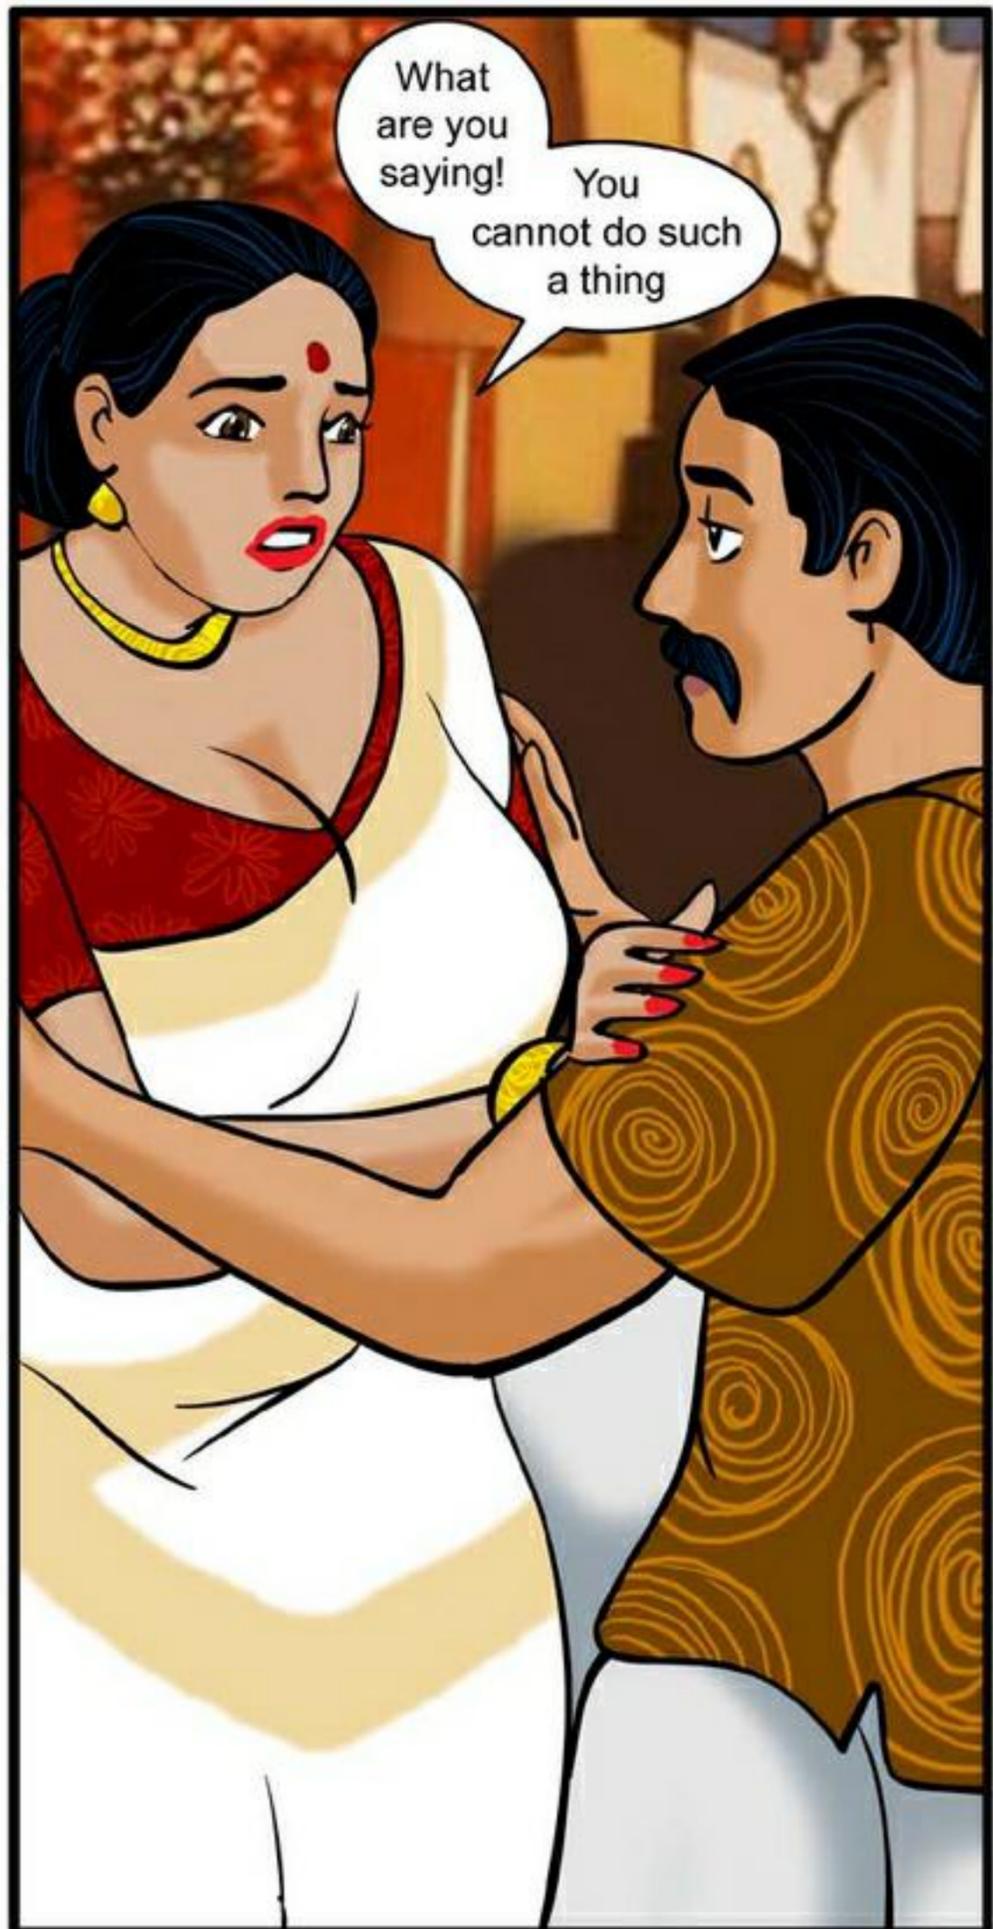

What kind of thoughts?

Chechi, I am only a normal man. And a man has needs!

I have been thinking of going to some other woman to fulfil them

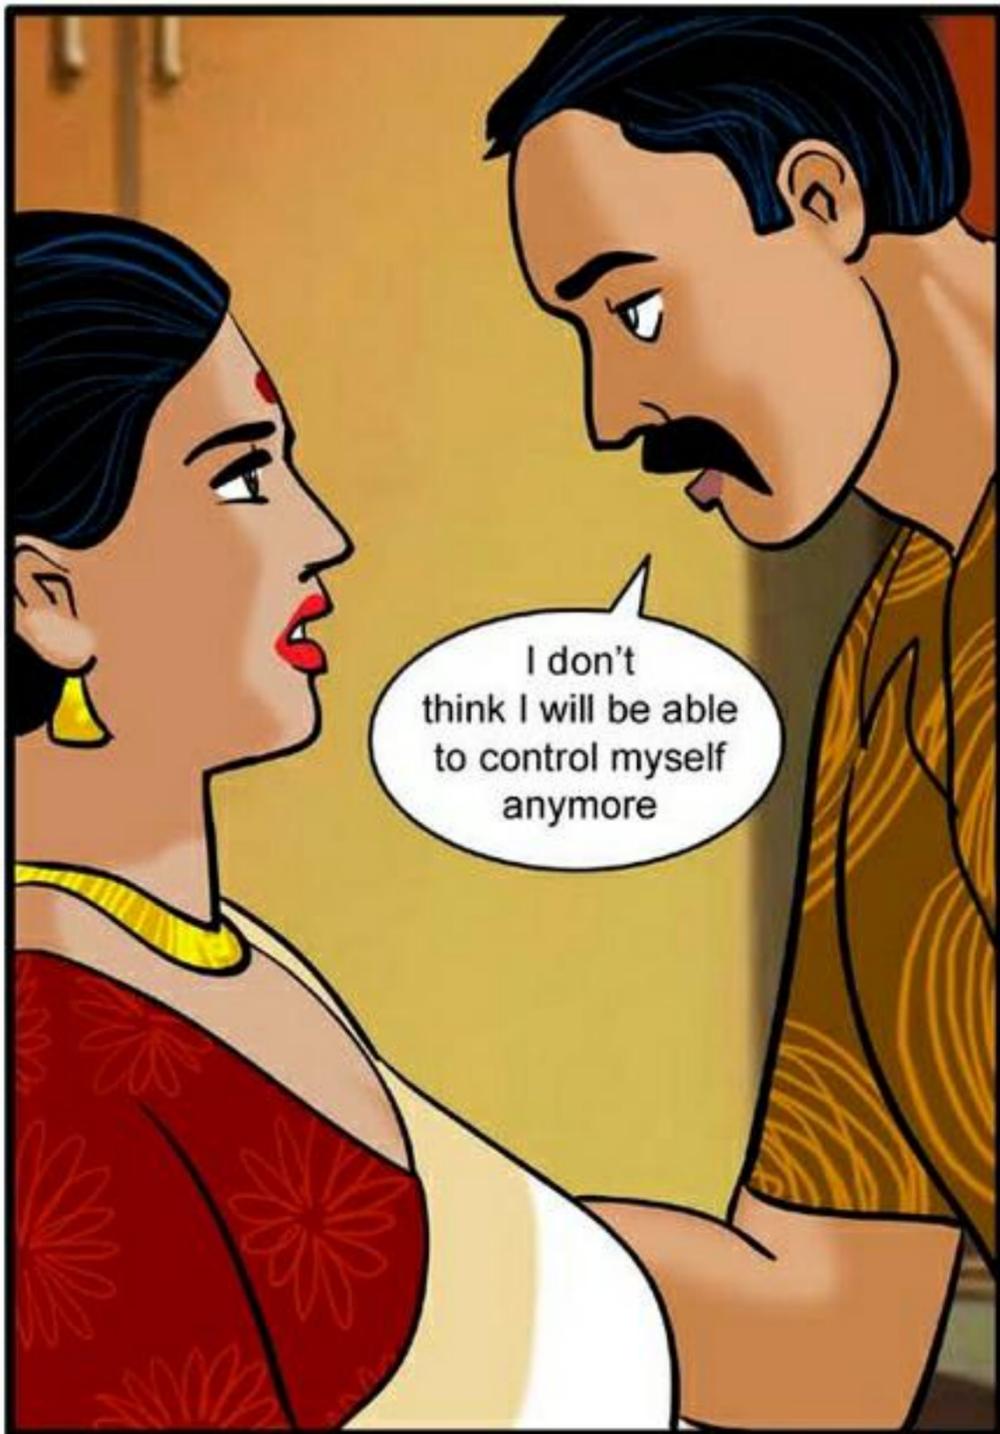

What are you saying!

You cannot do such a thing

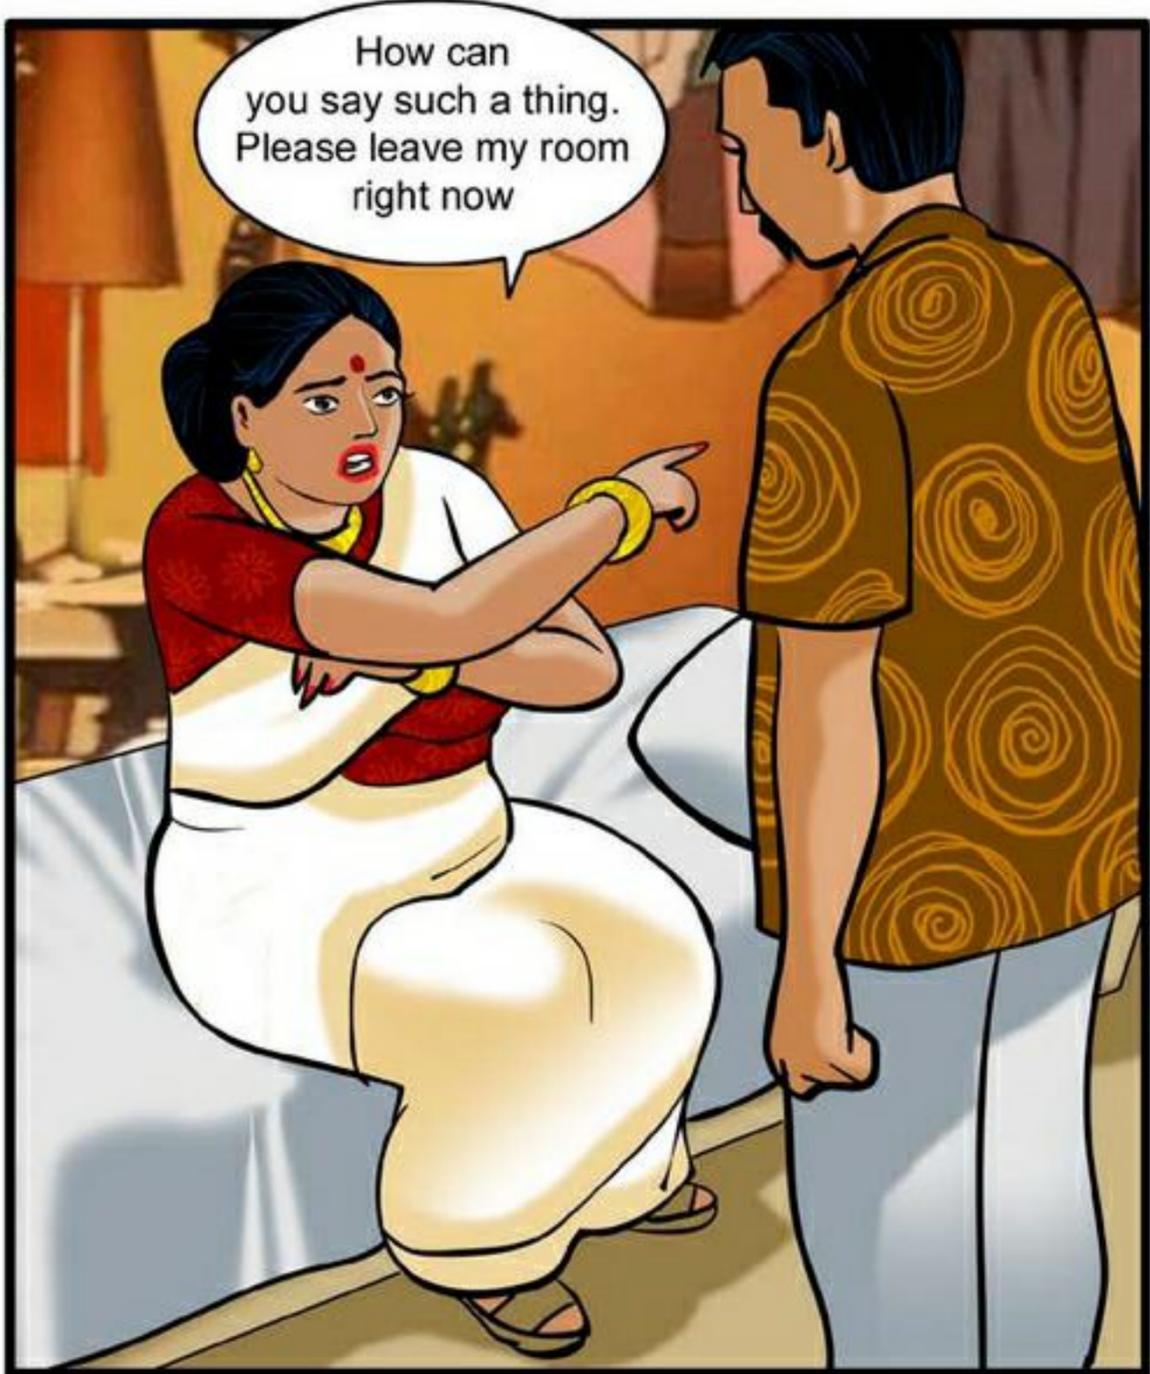

I know its wrong Chechi

But what can I do, I am only human. And human beings have urges

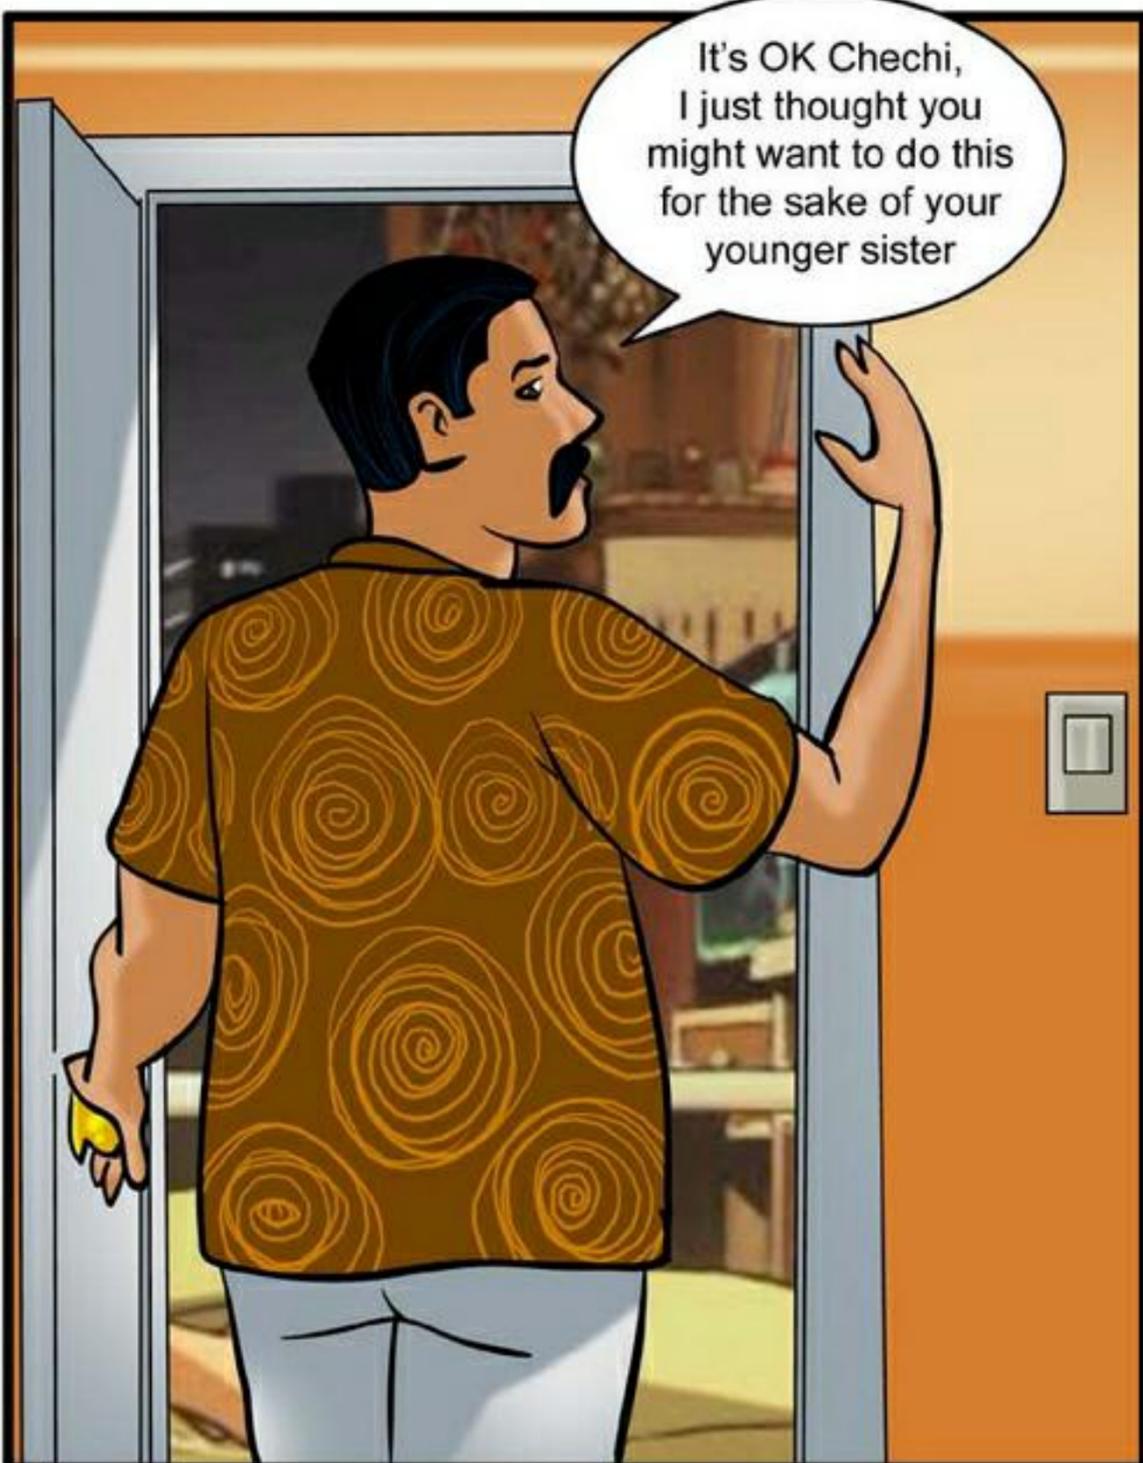

Oh my God, what is he saying!!!  
He wants me to.... He wants me to satisfy him!

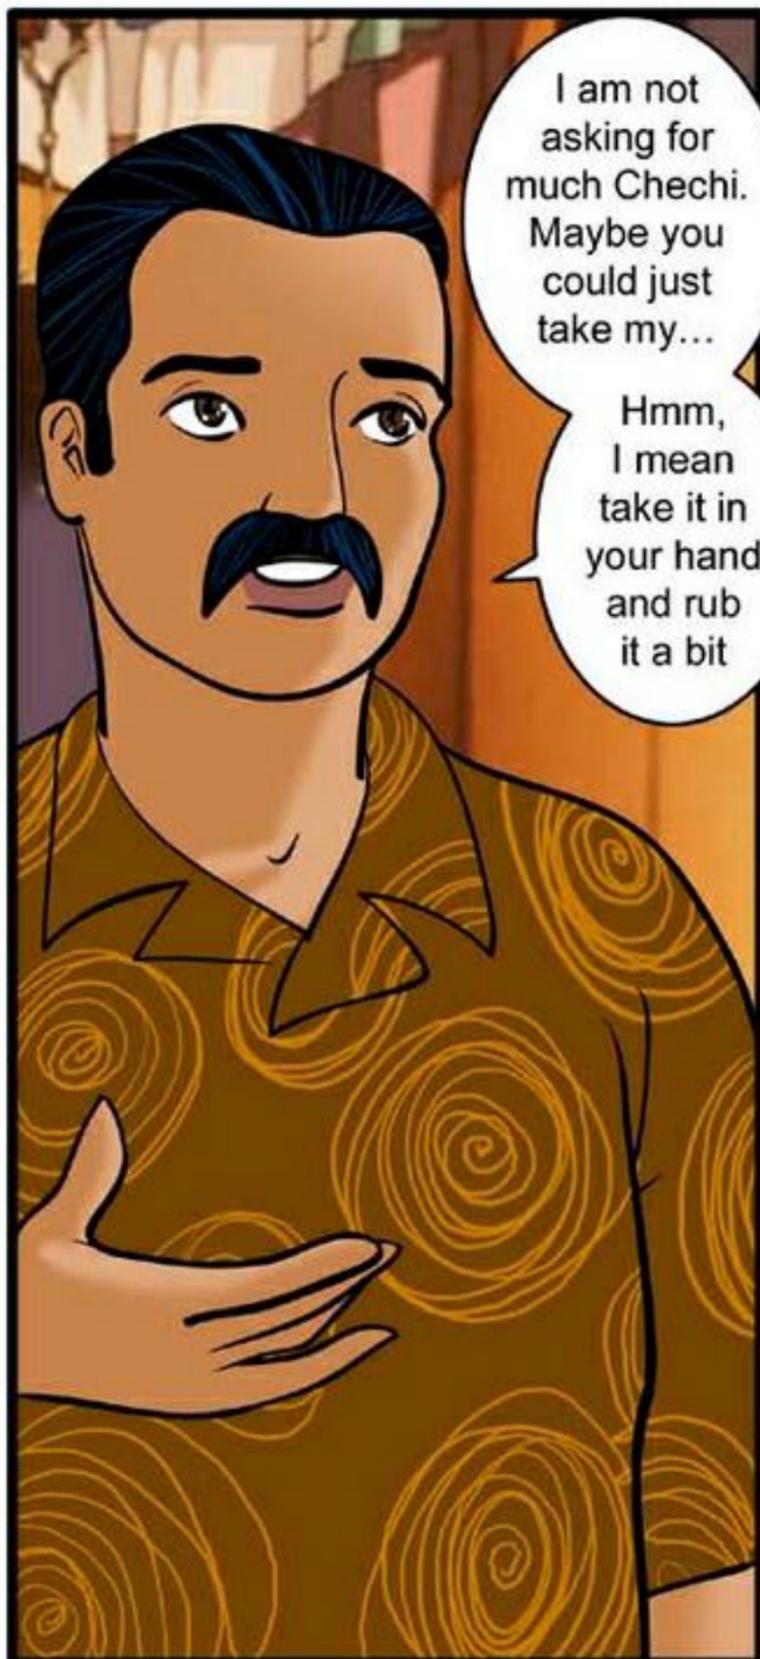

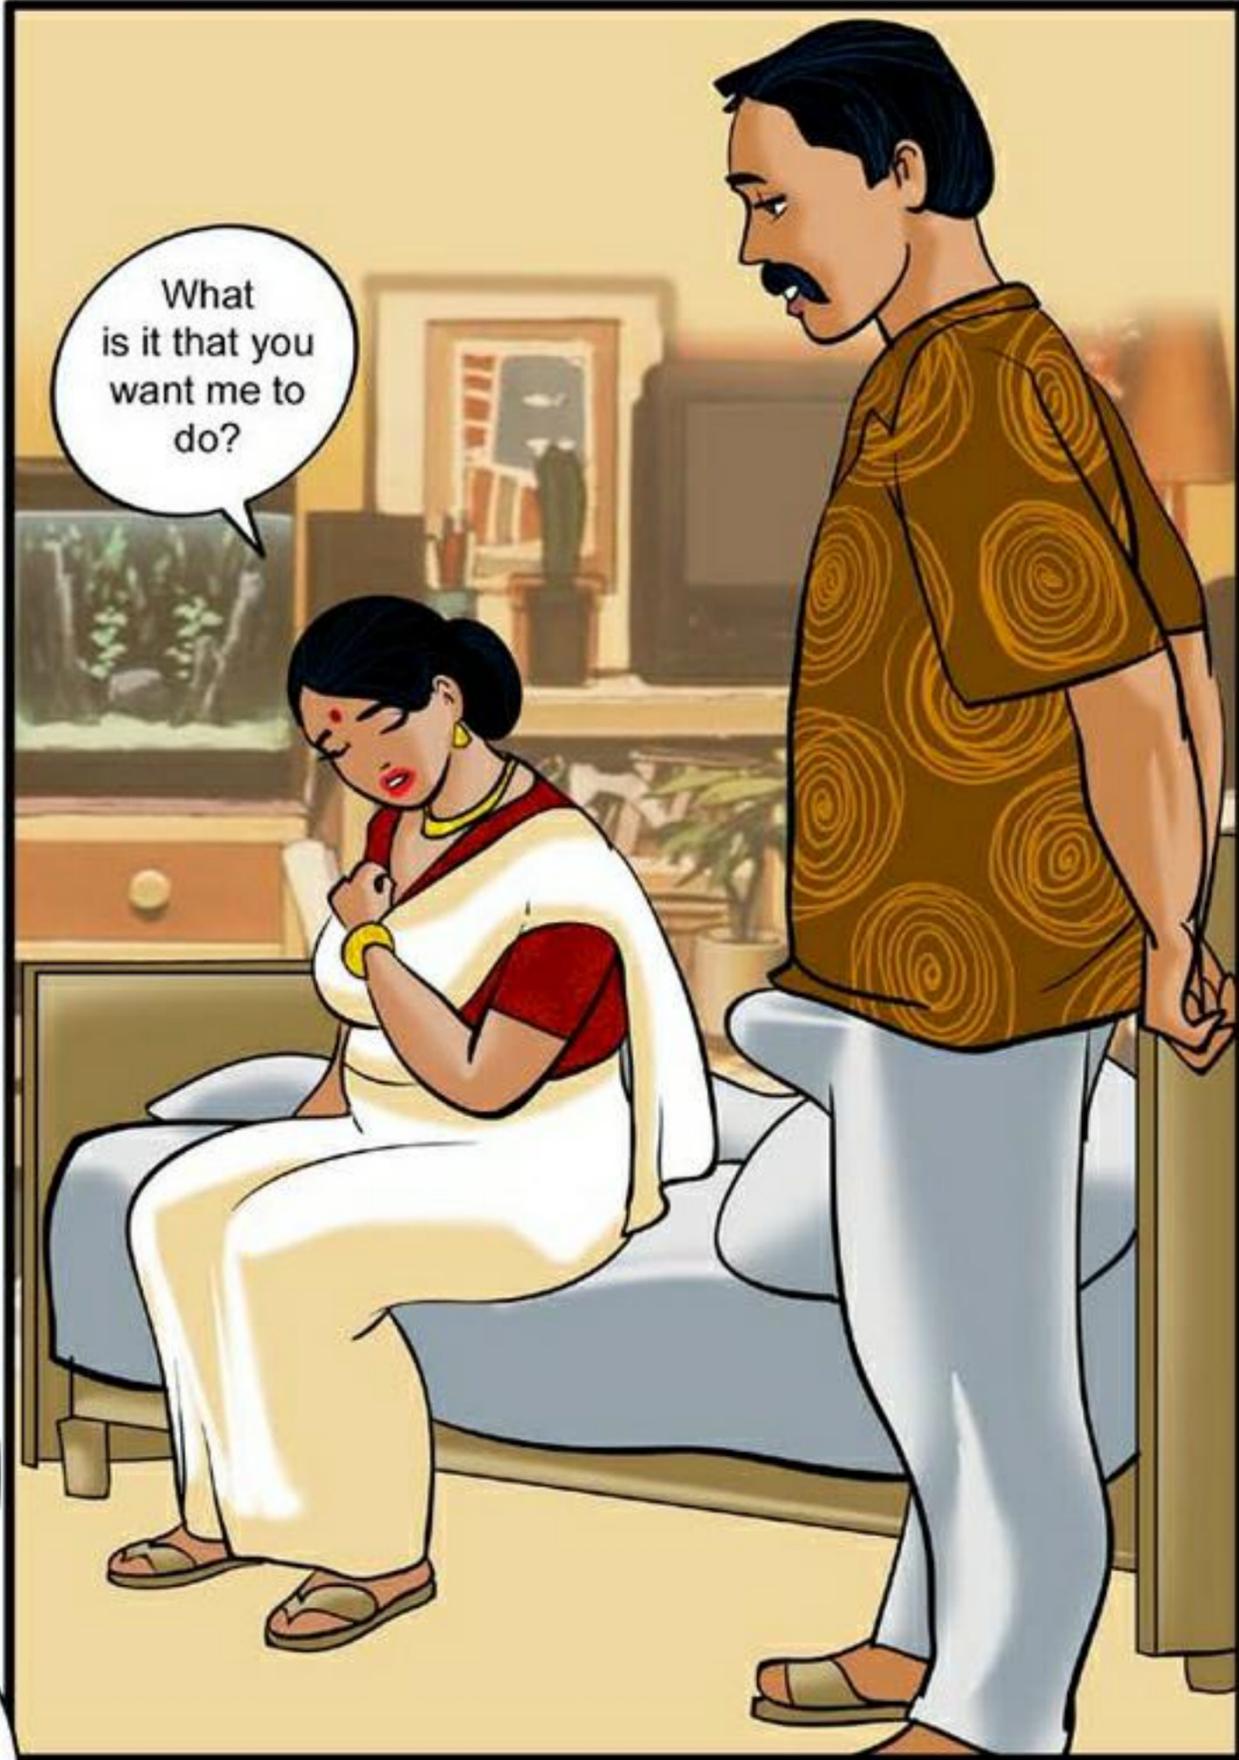

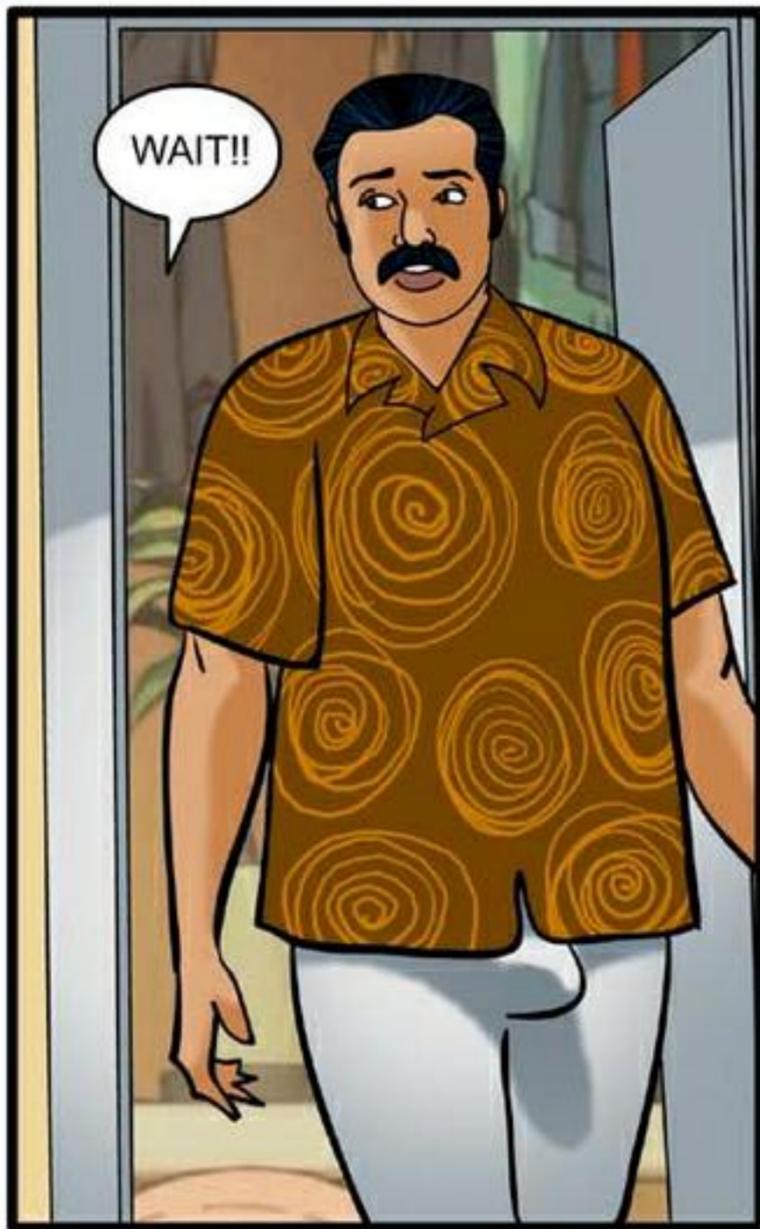

How can you say such a thing. Please leave my room right now

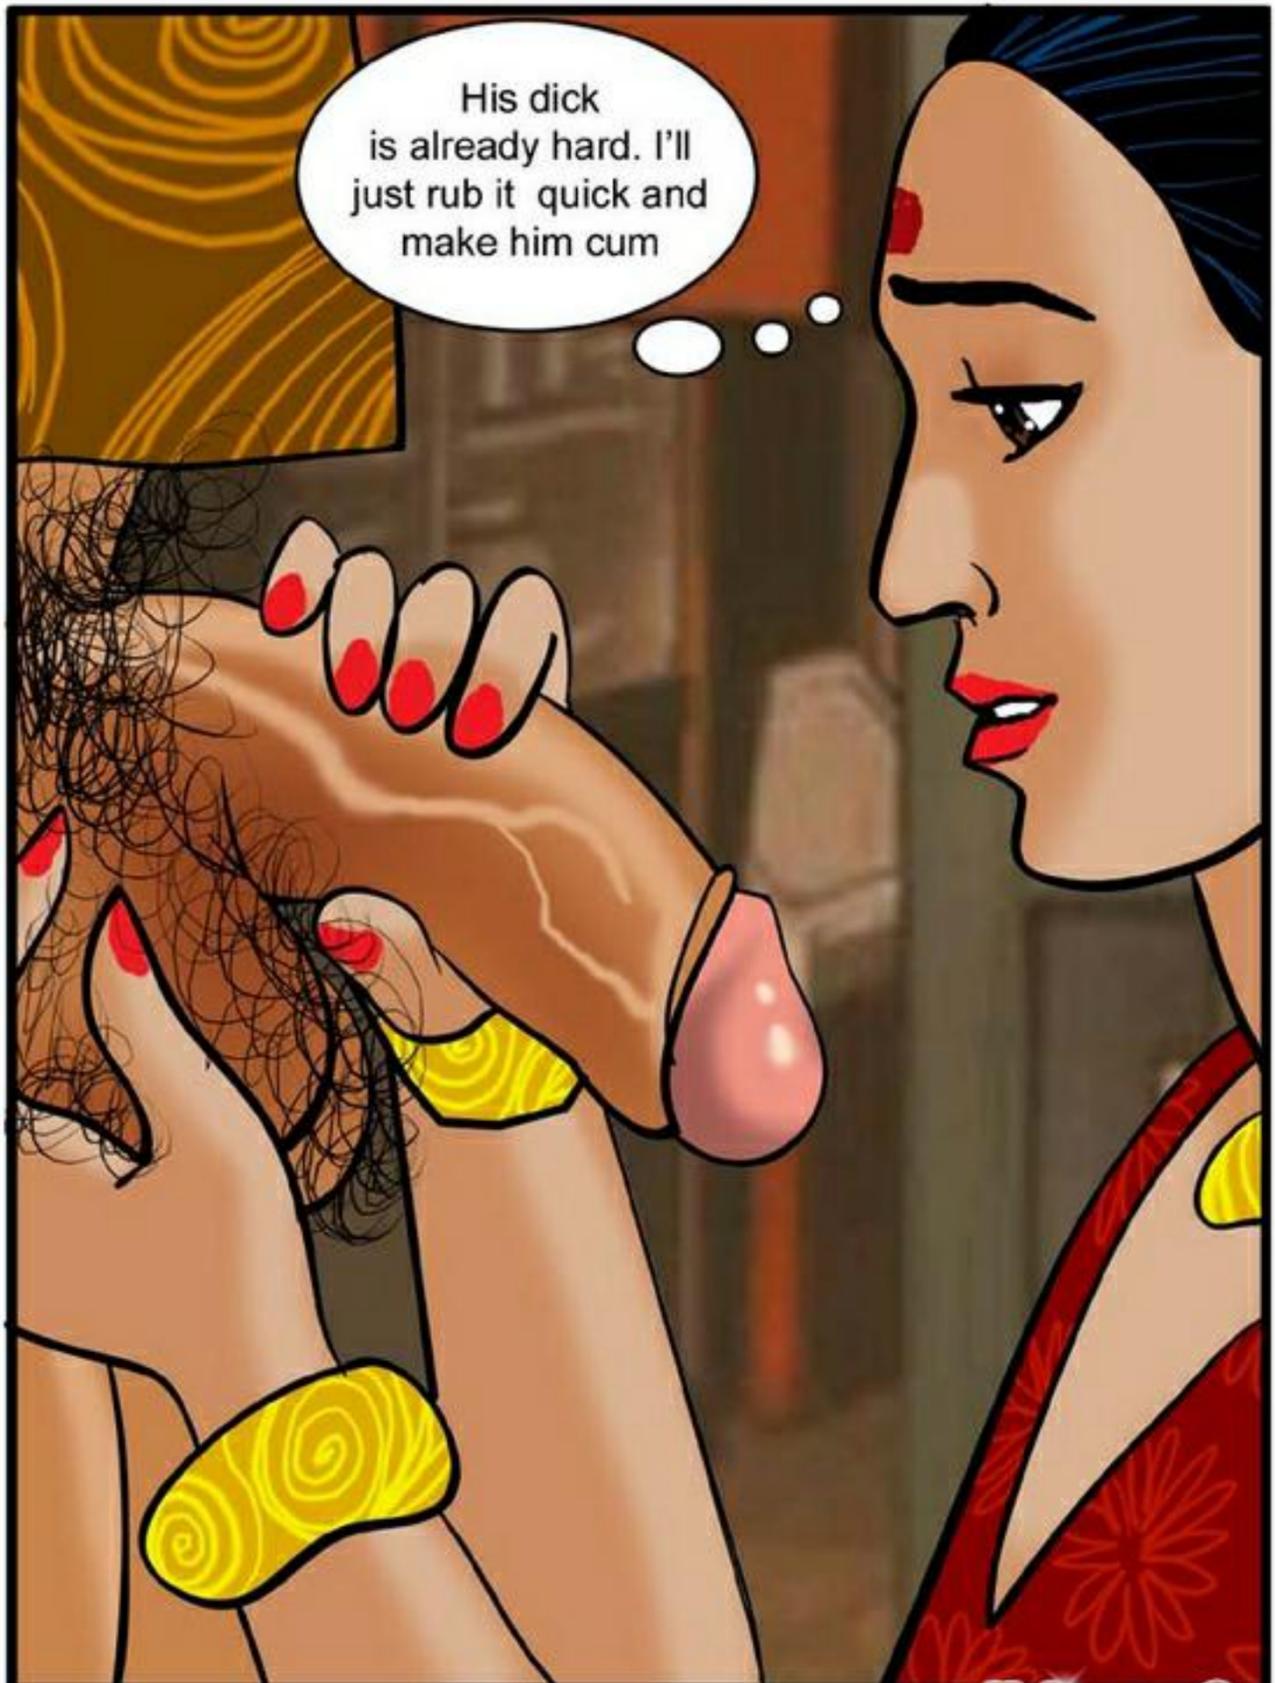

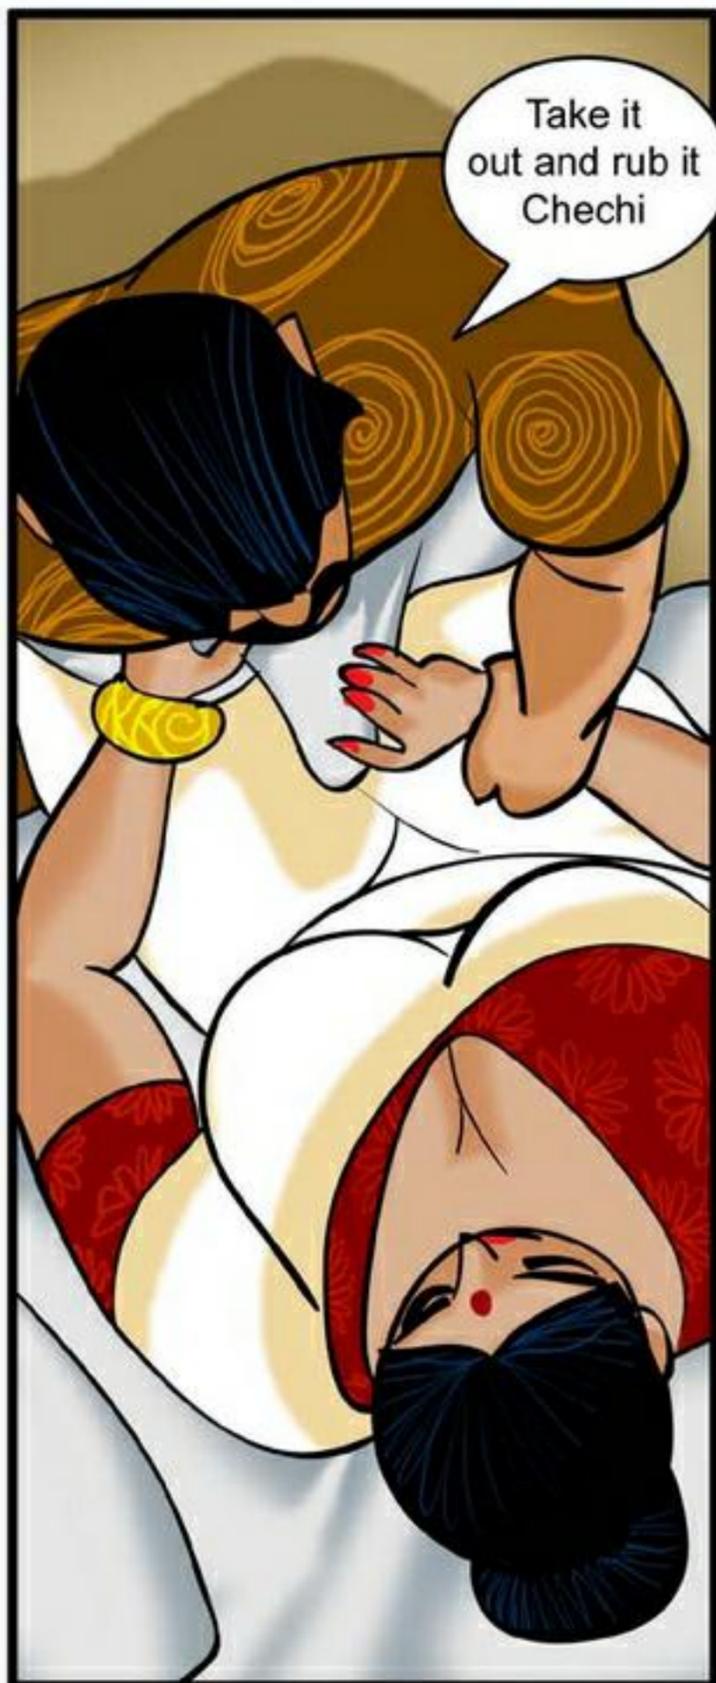

It's OK Chechi, I just thought you might want to do this for the sake of your younger sister

What should I do? I am so confused

Yes....  
Rub it

I hope  
I am doing the  
right thing for  
my sister

Just  
like  
that

Yesss...

Stop!

What's  
the matter?

Chechi,  
I won't be able  
to cum just like this.  
I need to see  
something...

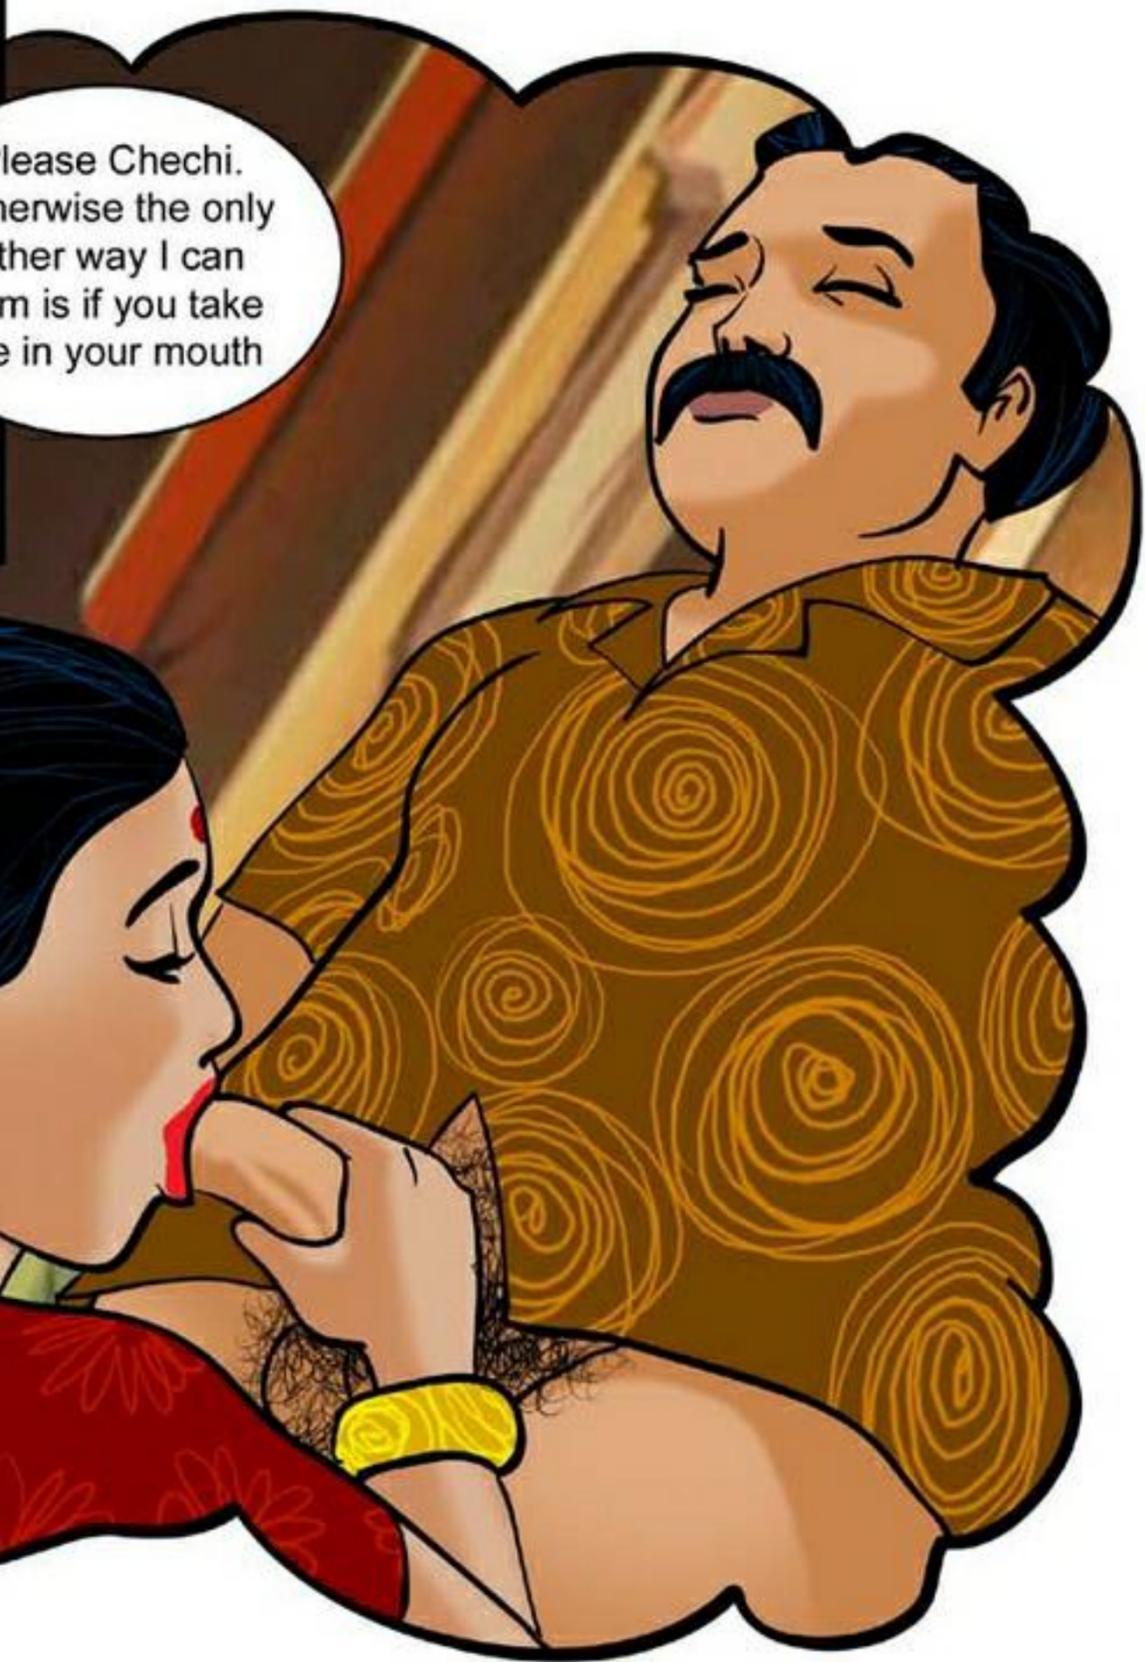

...a  
woman's  
body

You want me  
to take off my clothes  
and be naked in  
front of you?  
I  
cannot  
do that!

Please Chechi. Otherwise the only other way I can cum is if you take me in your mouth

Oh, I cannot do that. I'm better off taking my clothes off

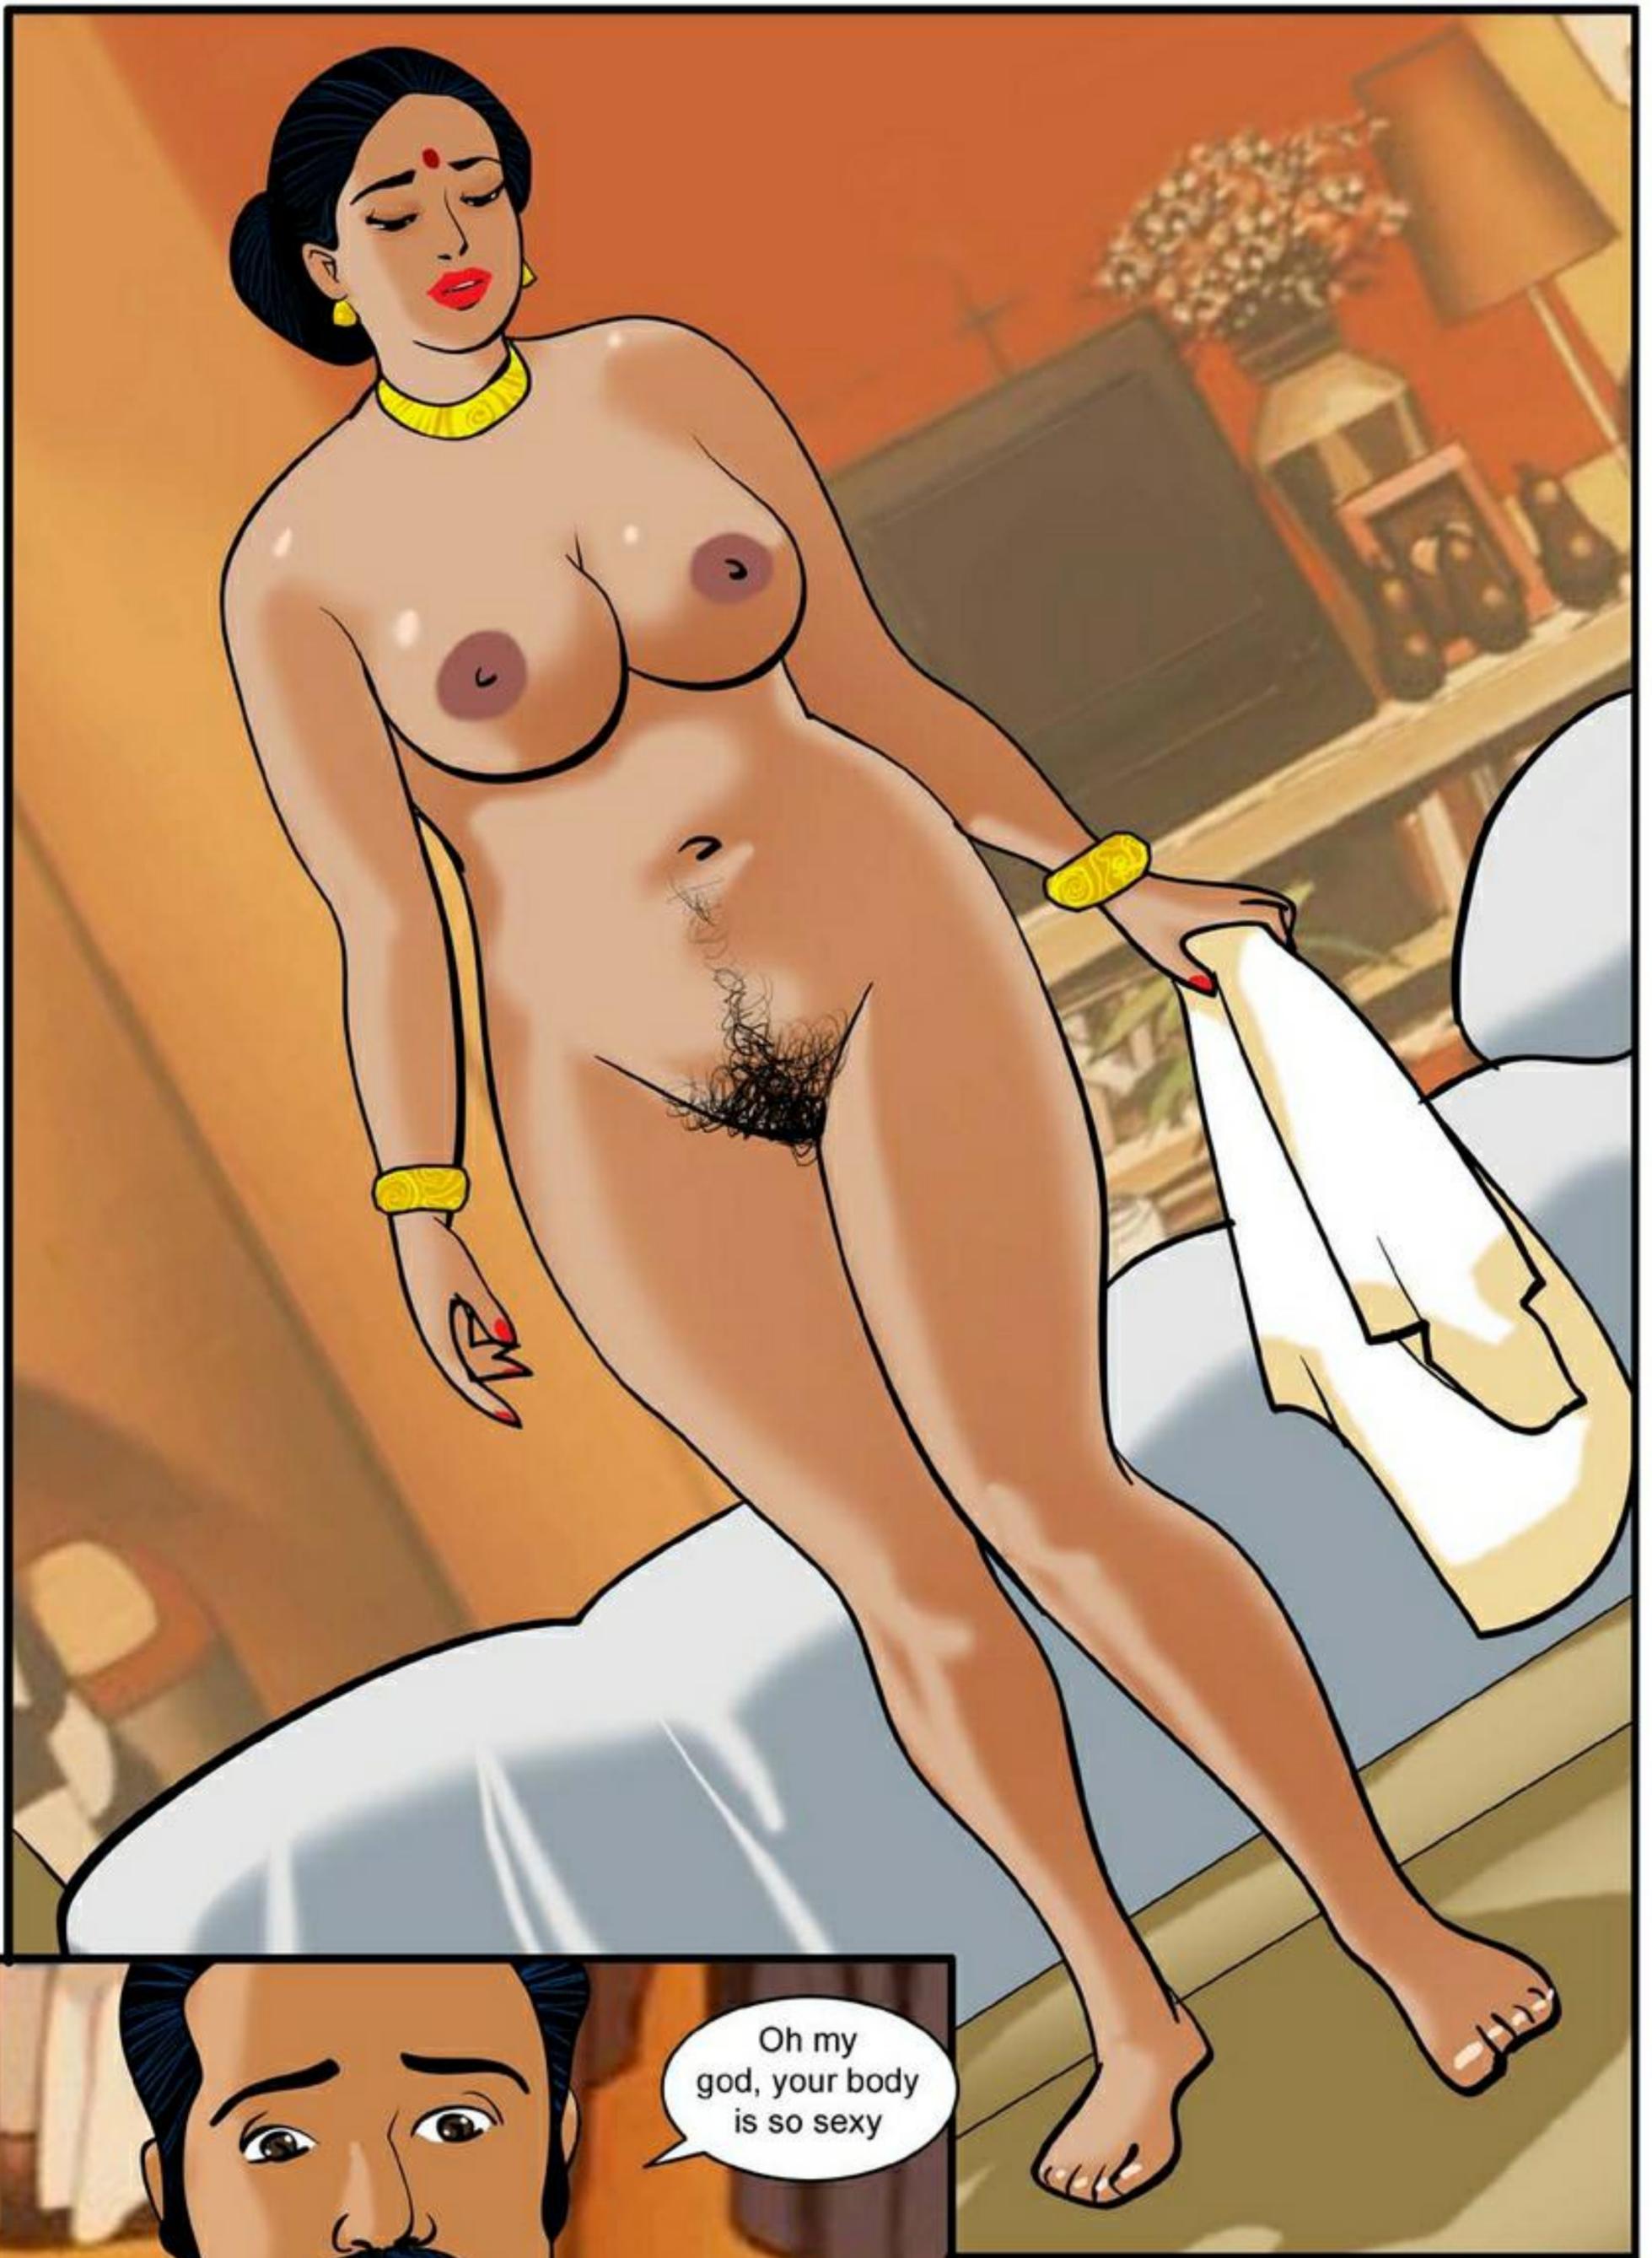

Please turn around. I cannot take my clothes off with you looking at me. You still are my sister's husband

Wow, I don't believe that worked. I am going to get to see her sexy body in reality

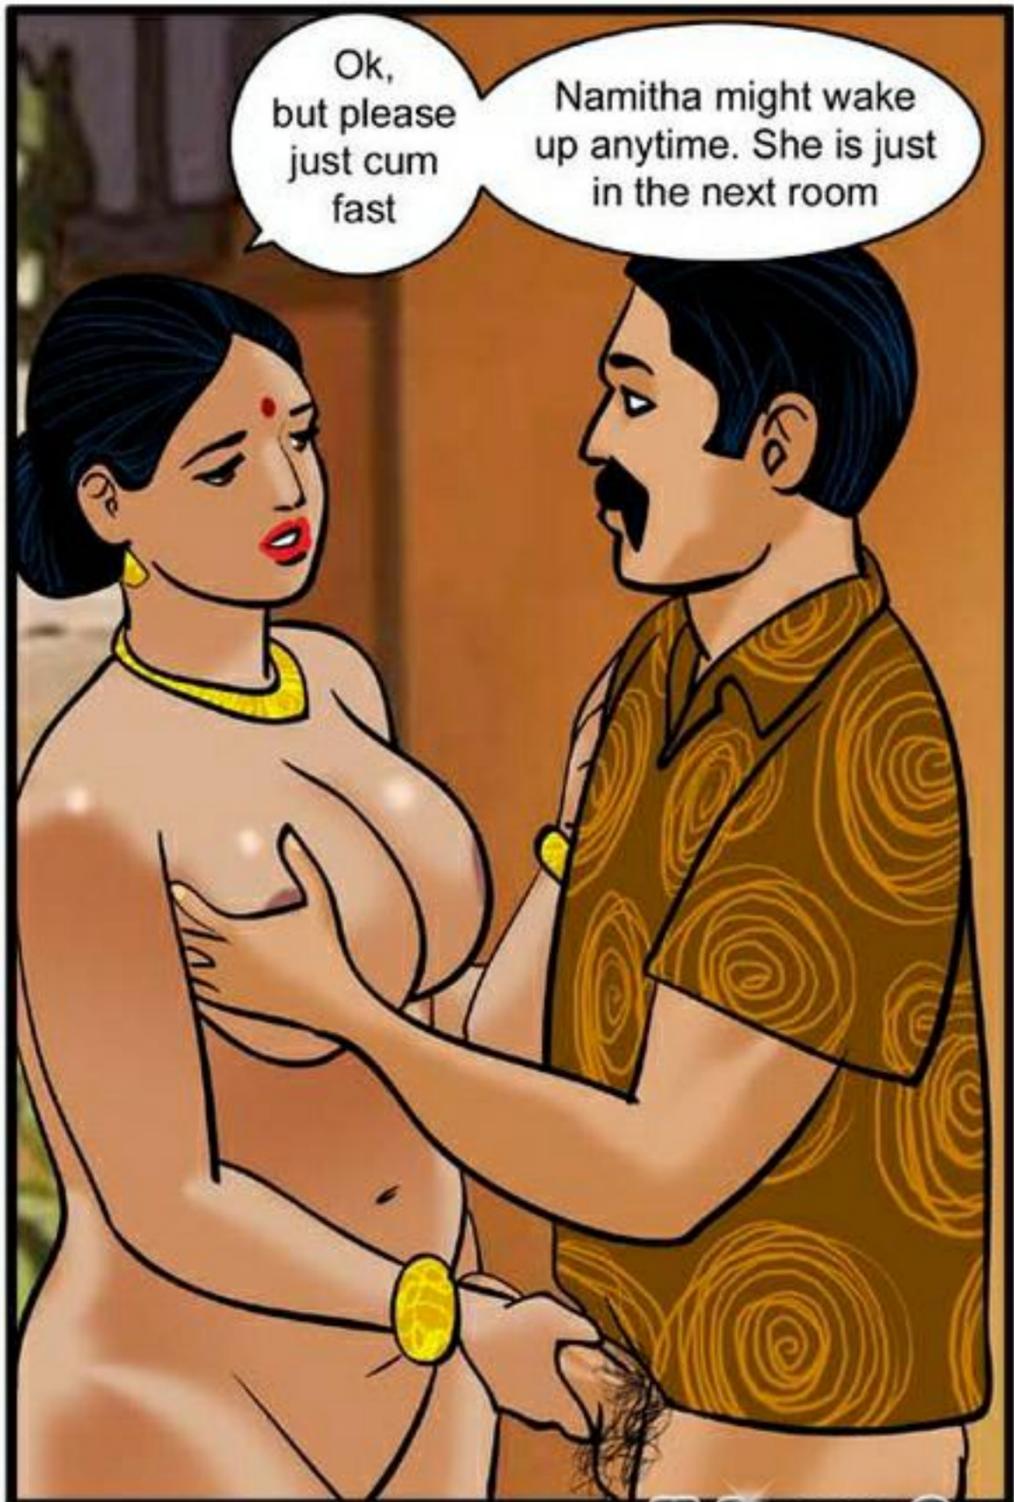

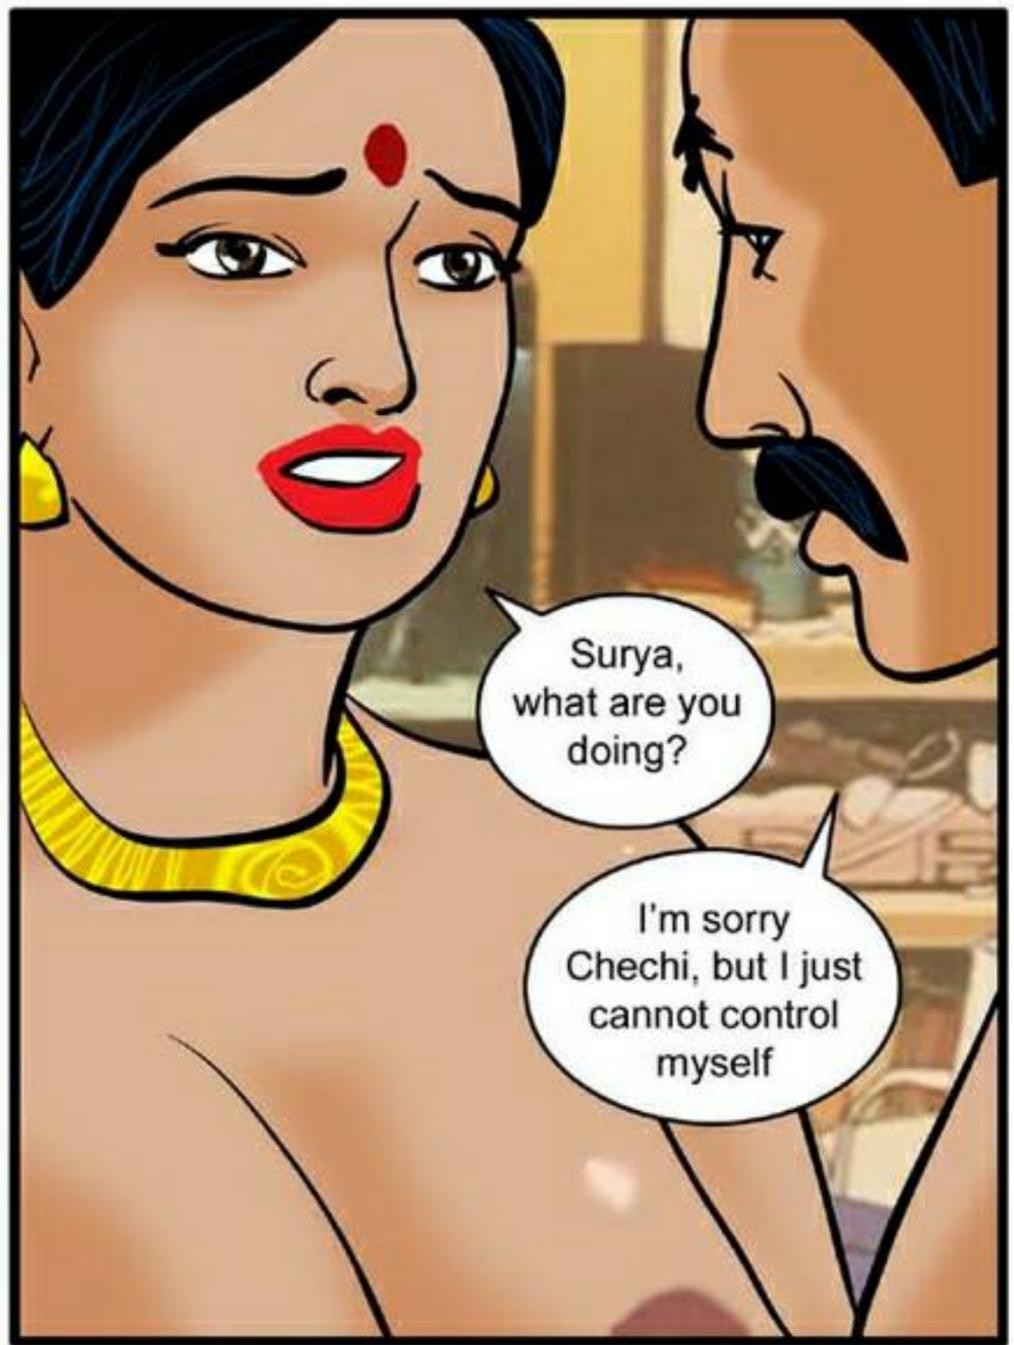

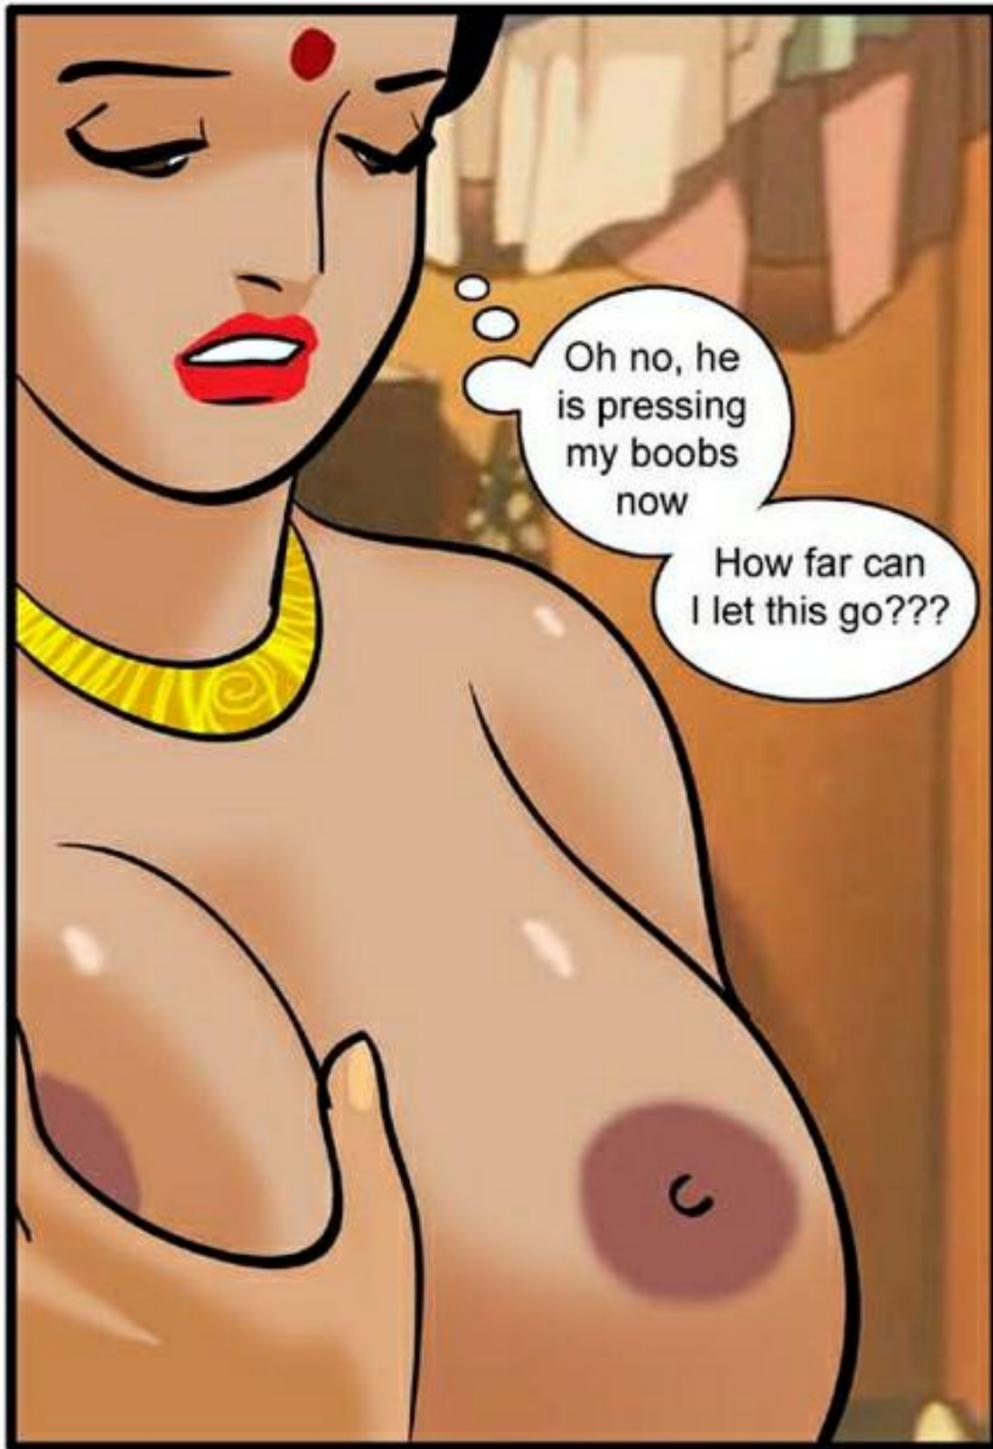

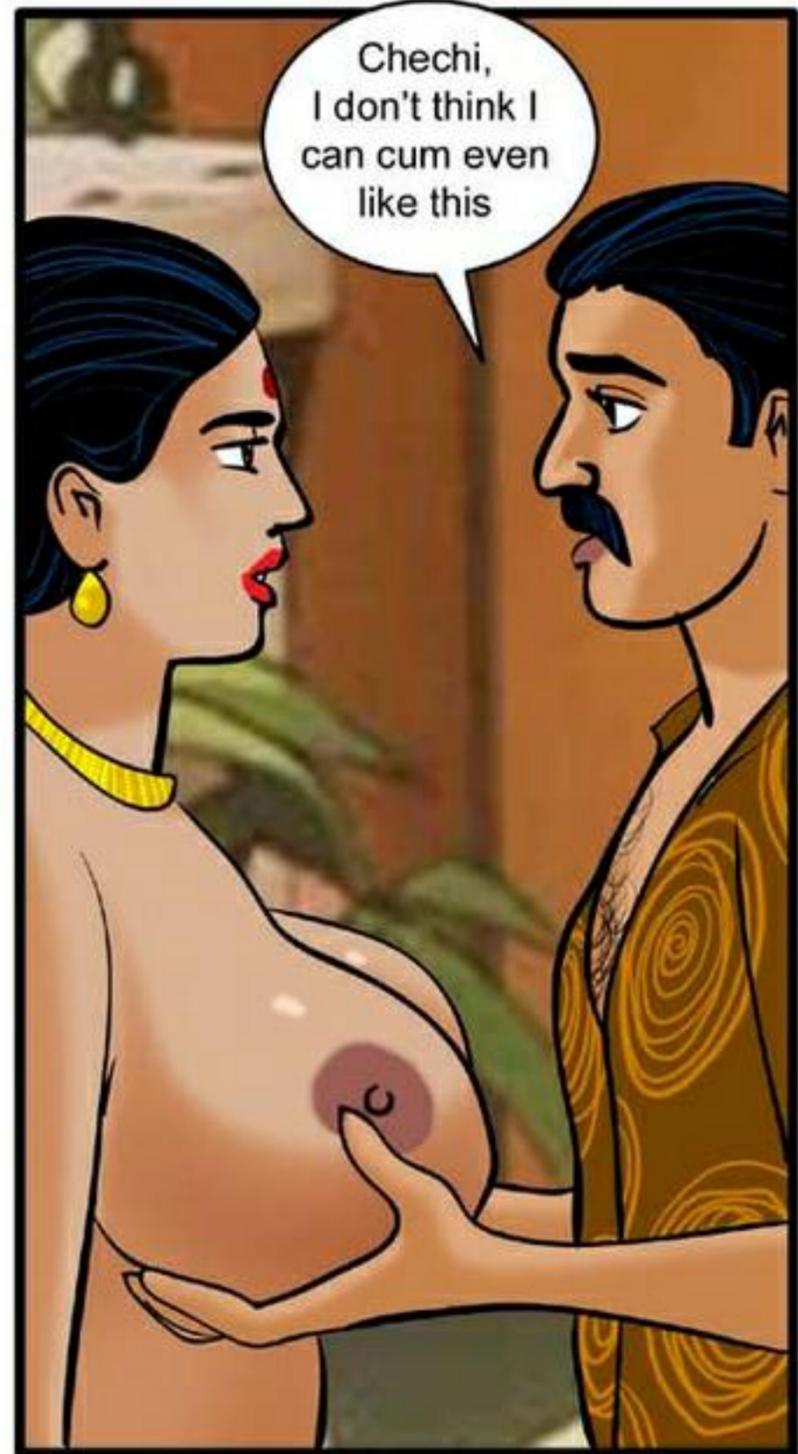

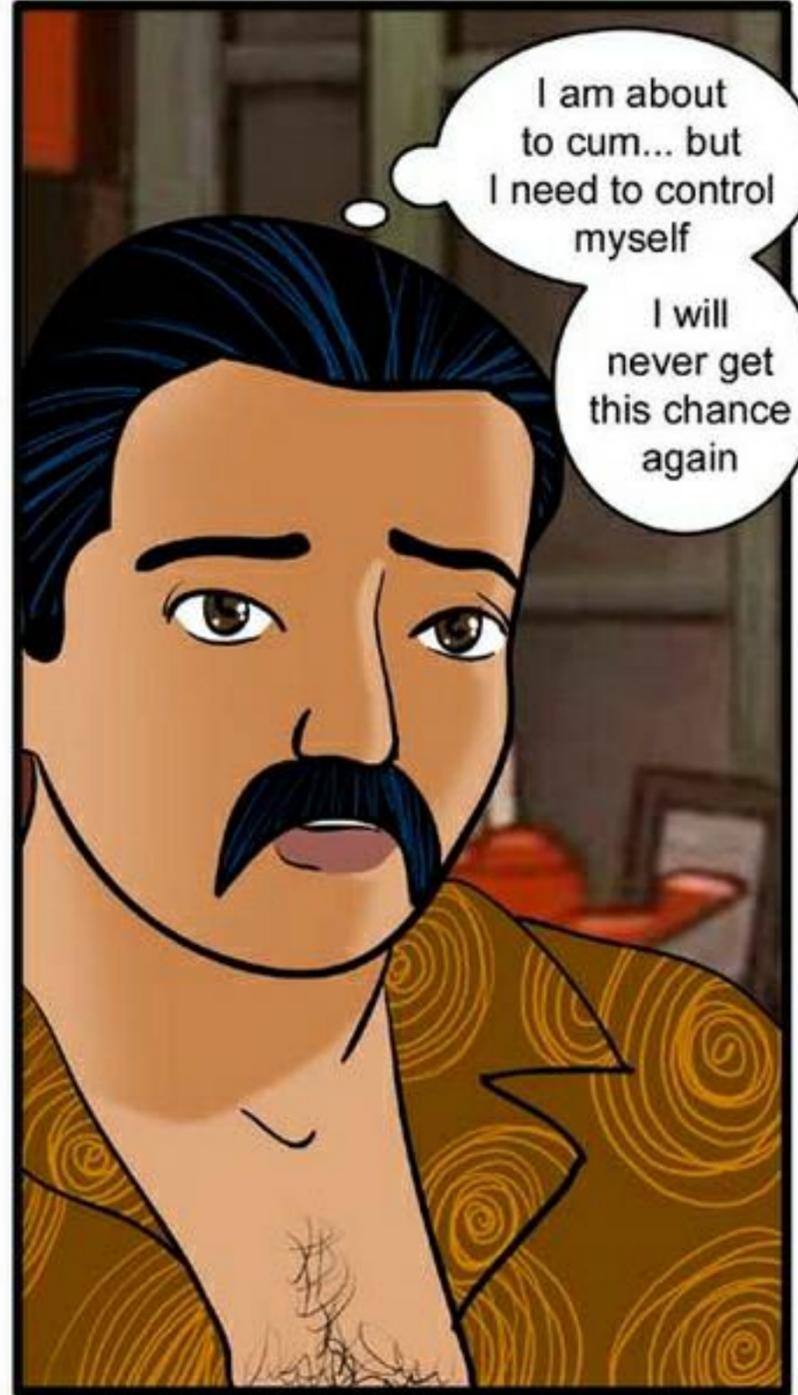

Ok, I am done

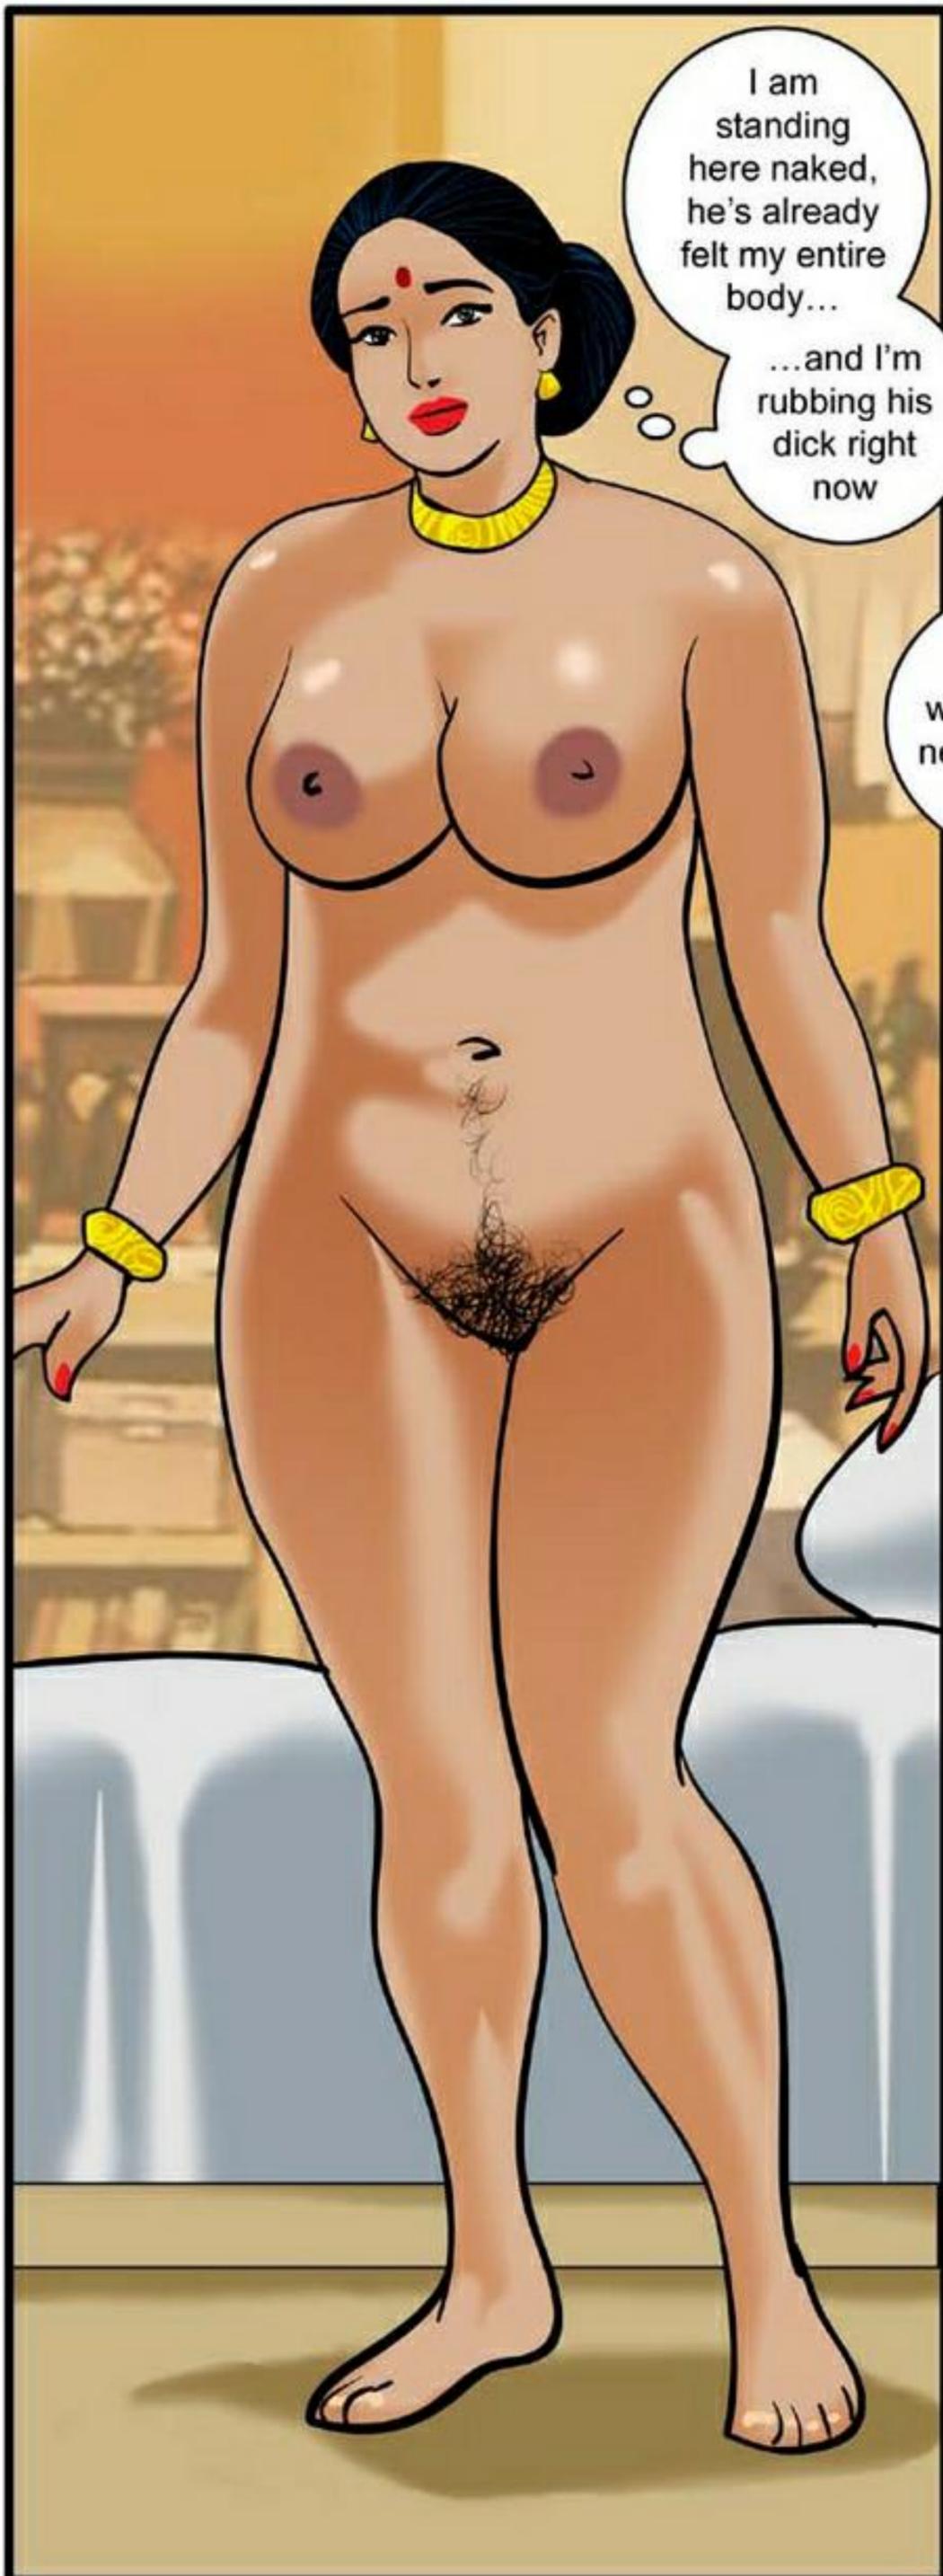

Oh my god, your body is so sexy

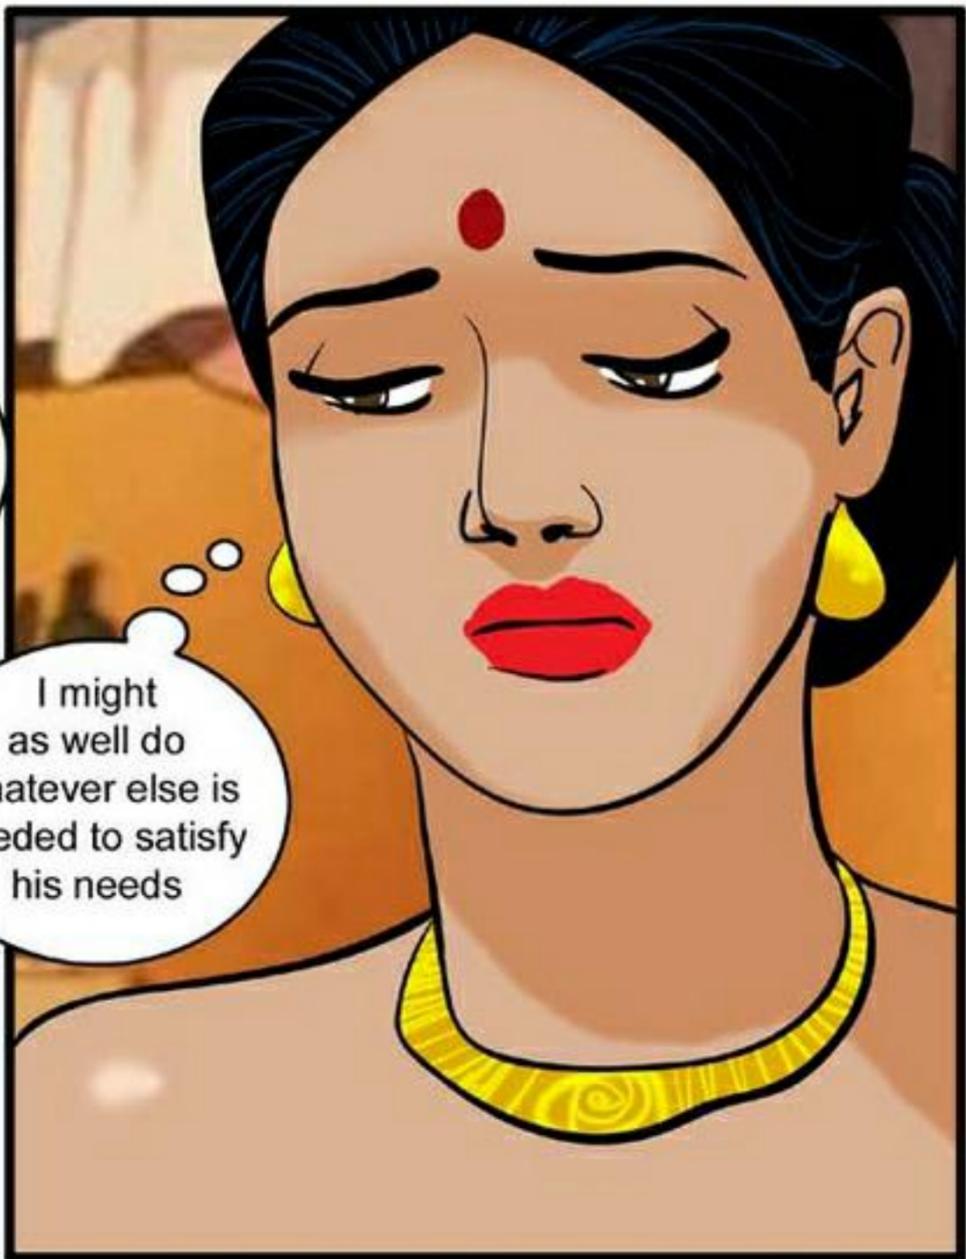

I am standing here naked, he's already felt my entire body...  
...and I'm rubbing his dick right now

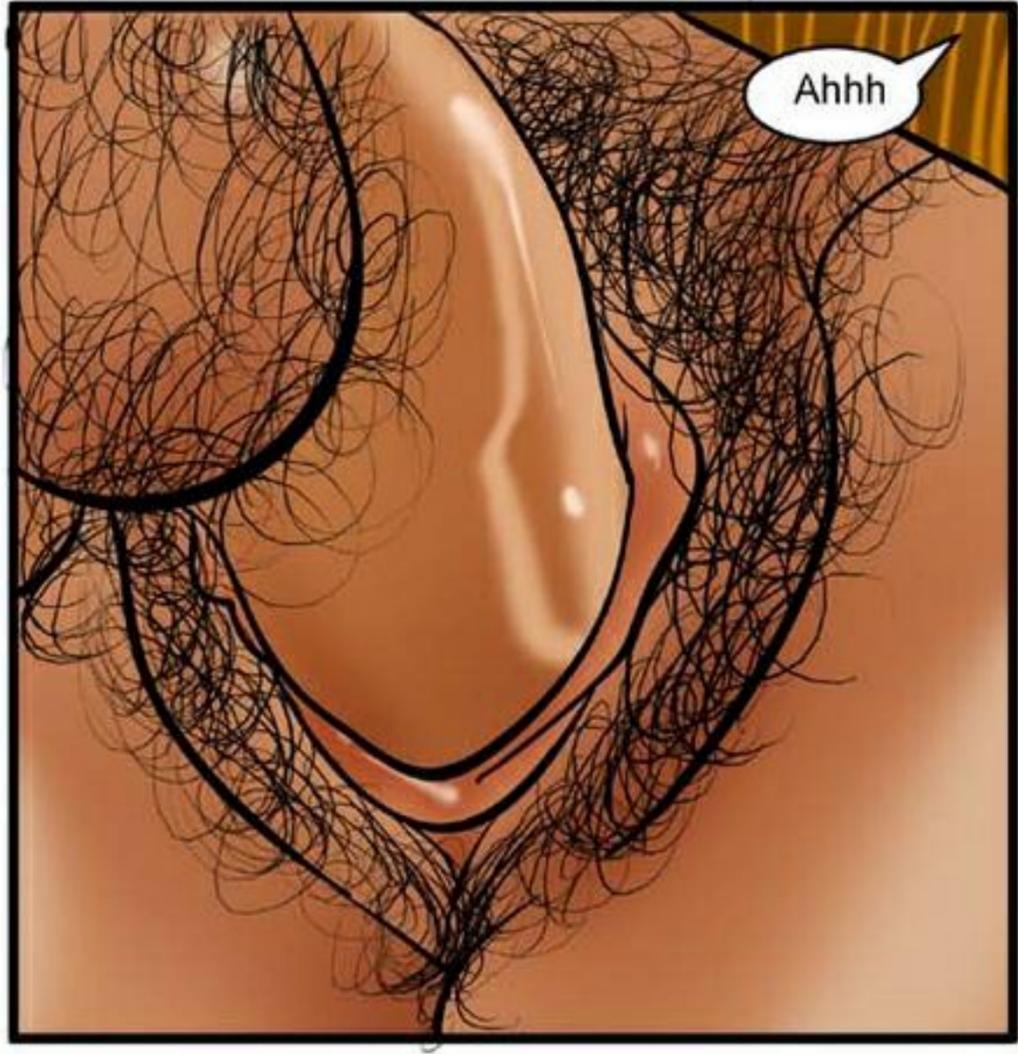

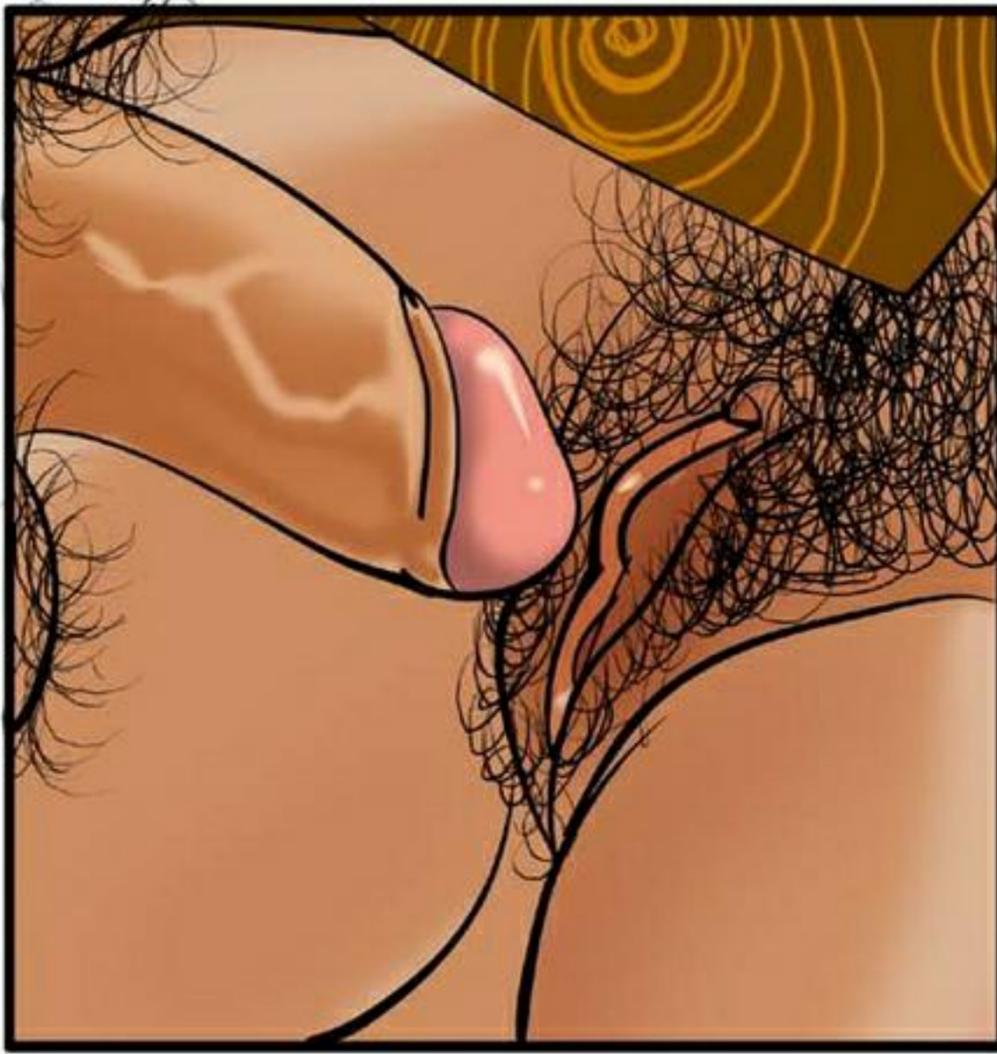

I might as well do whatever else is needed to satisfy his needs

Please be quick

Wow,  
I'm going to actually  
get to fuck her

Ahhh

Oh, the  
inside of your pussy  
feels so good!

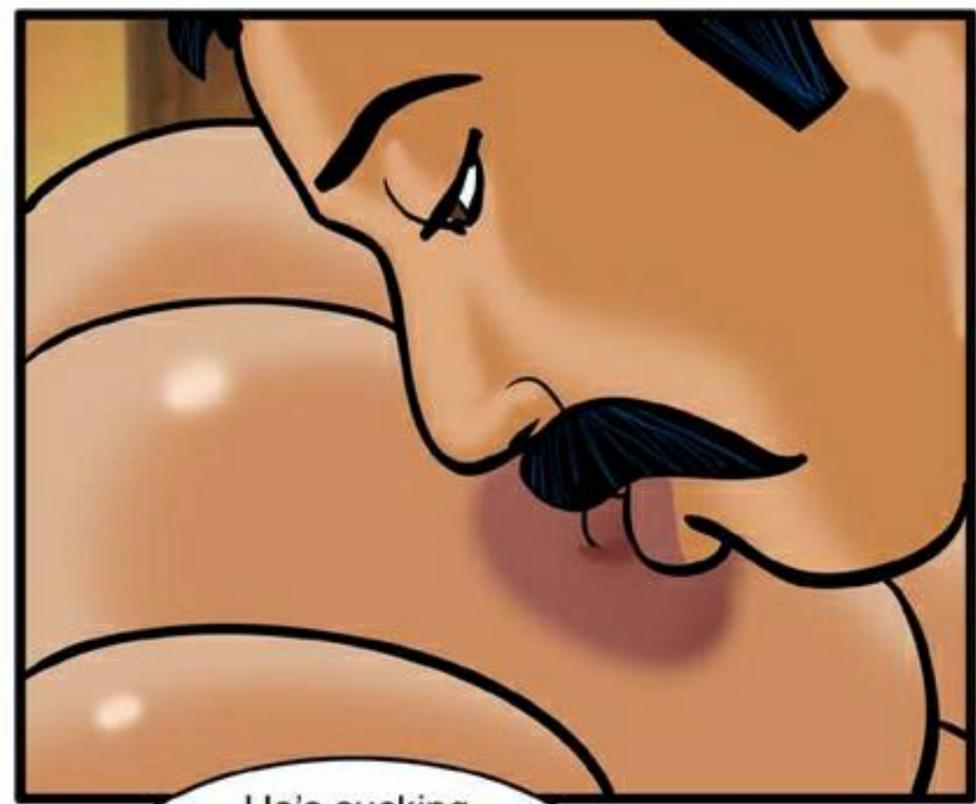

I'm being fucked by my sister's husband

I just hope no one ever finds out about this!

My mouth can hardly fit your boobs in them Chechi. Your breasts are so big

He's sucking on my boobs so hungrily. I can feel his teeth on my nipples

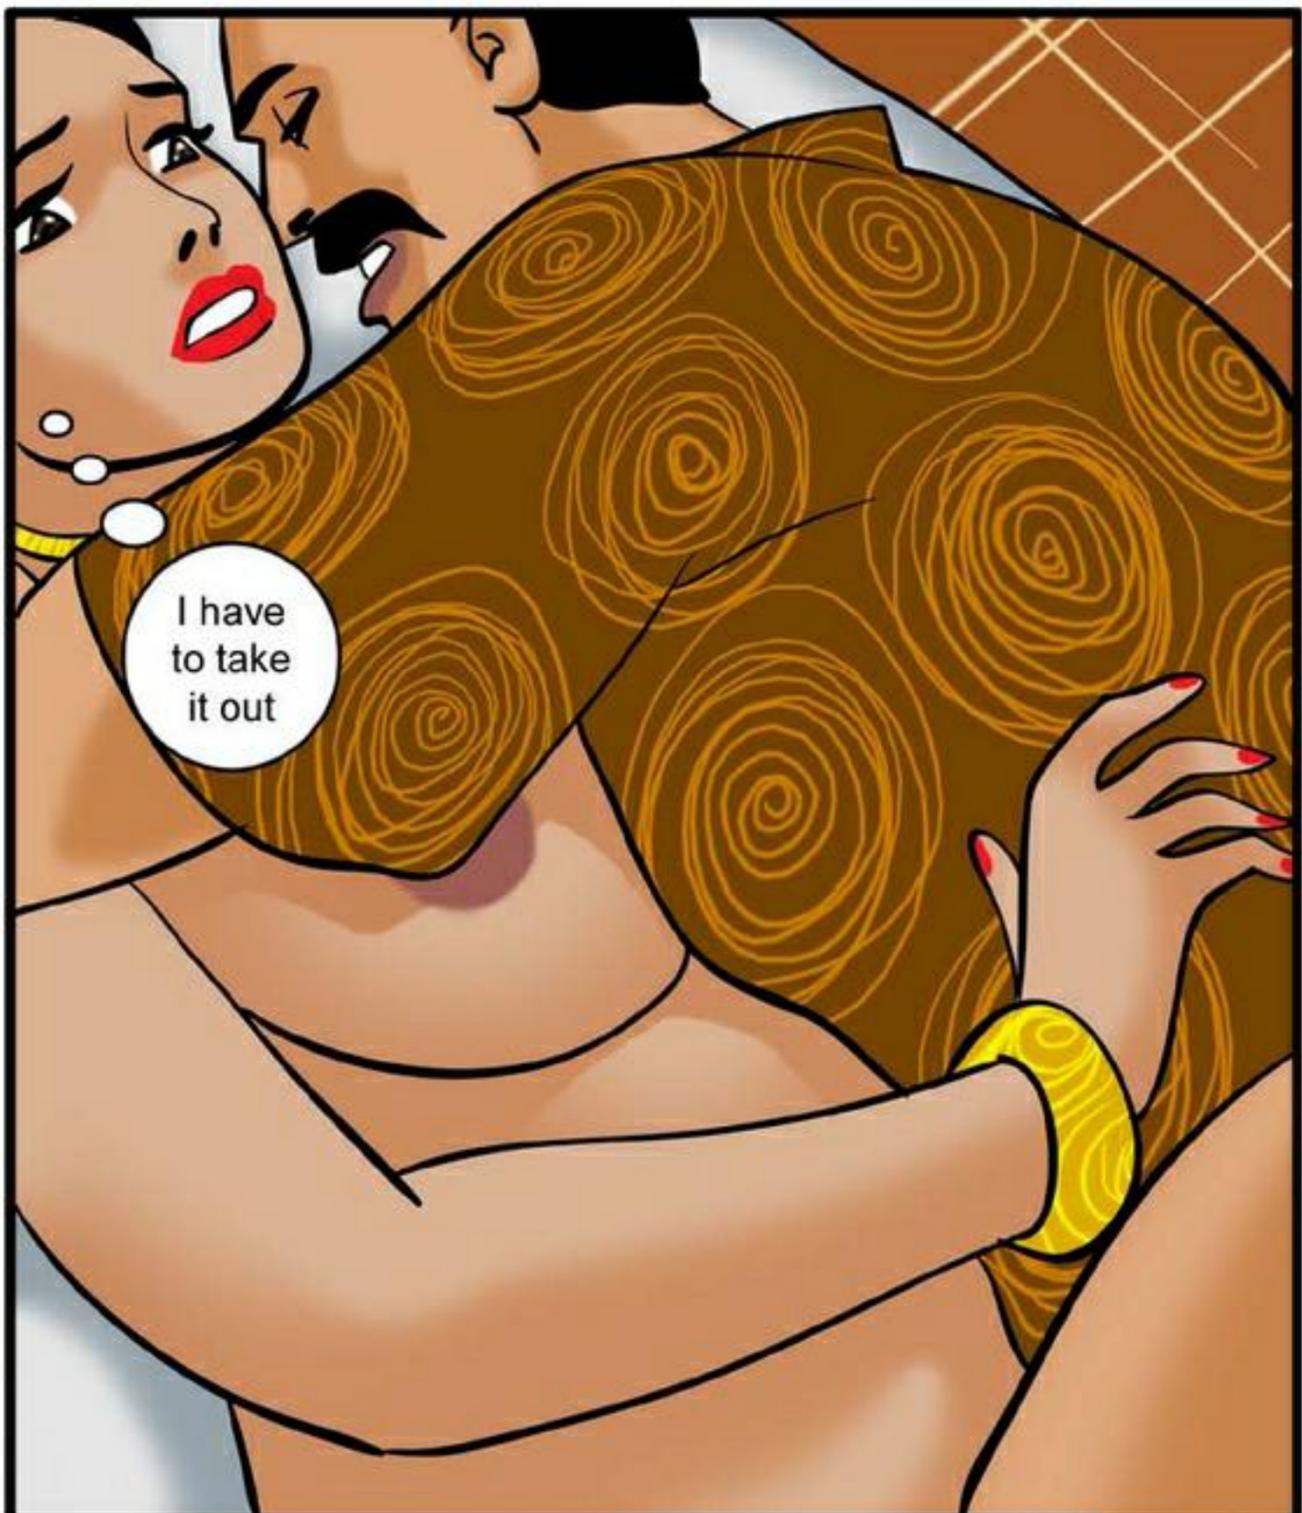

I'm going to cum soon Chechi, just a few more strokes

No, please don't spill your seed inside me

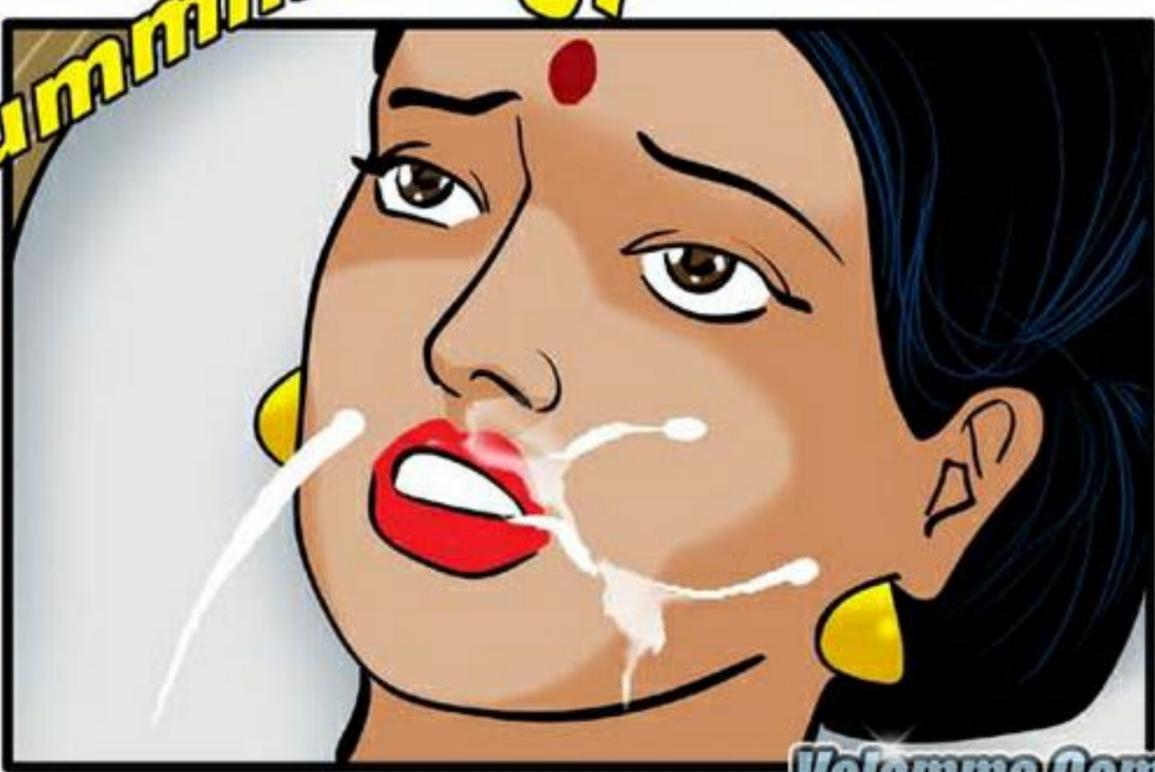

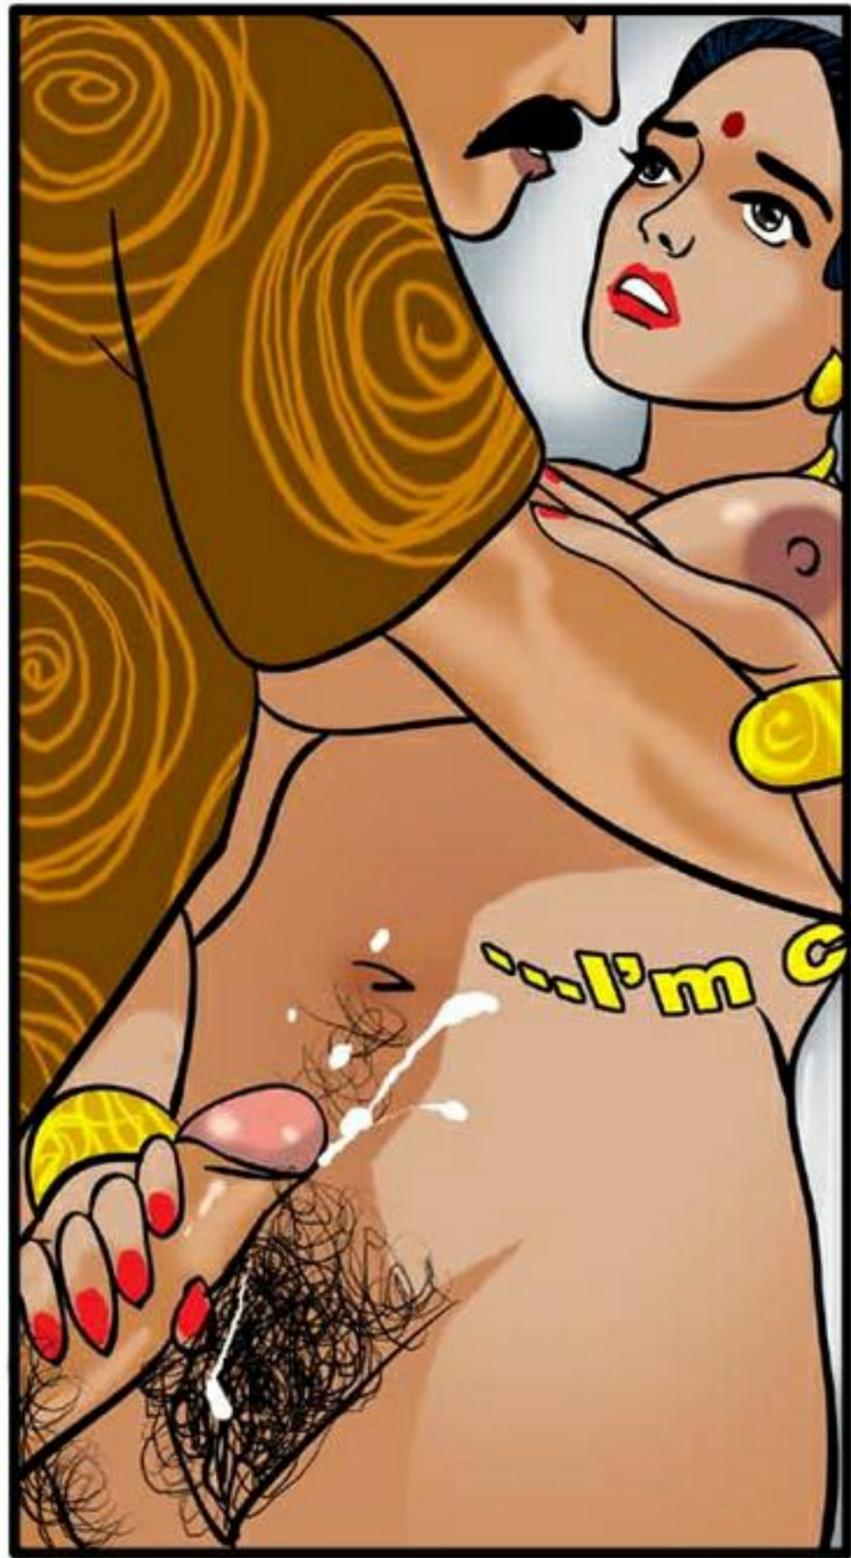

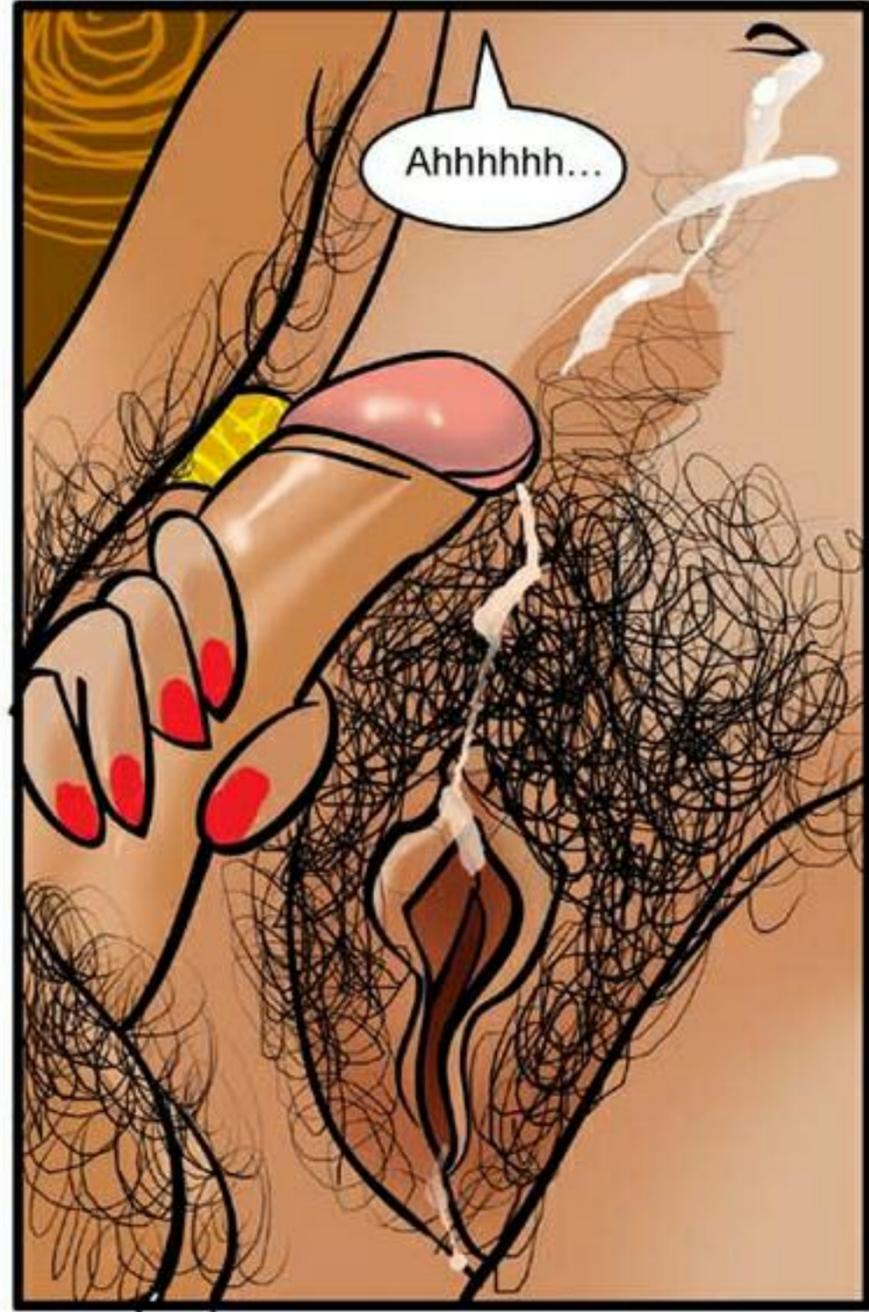

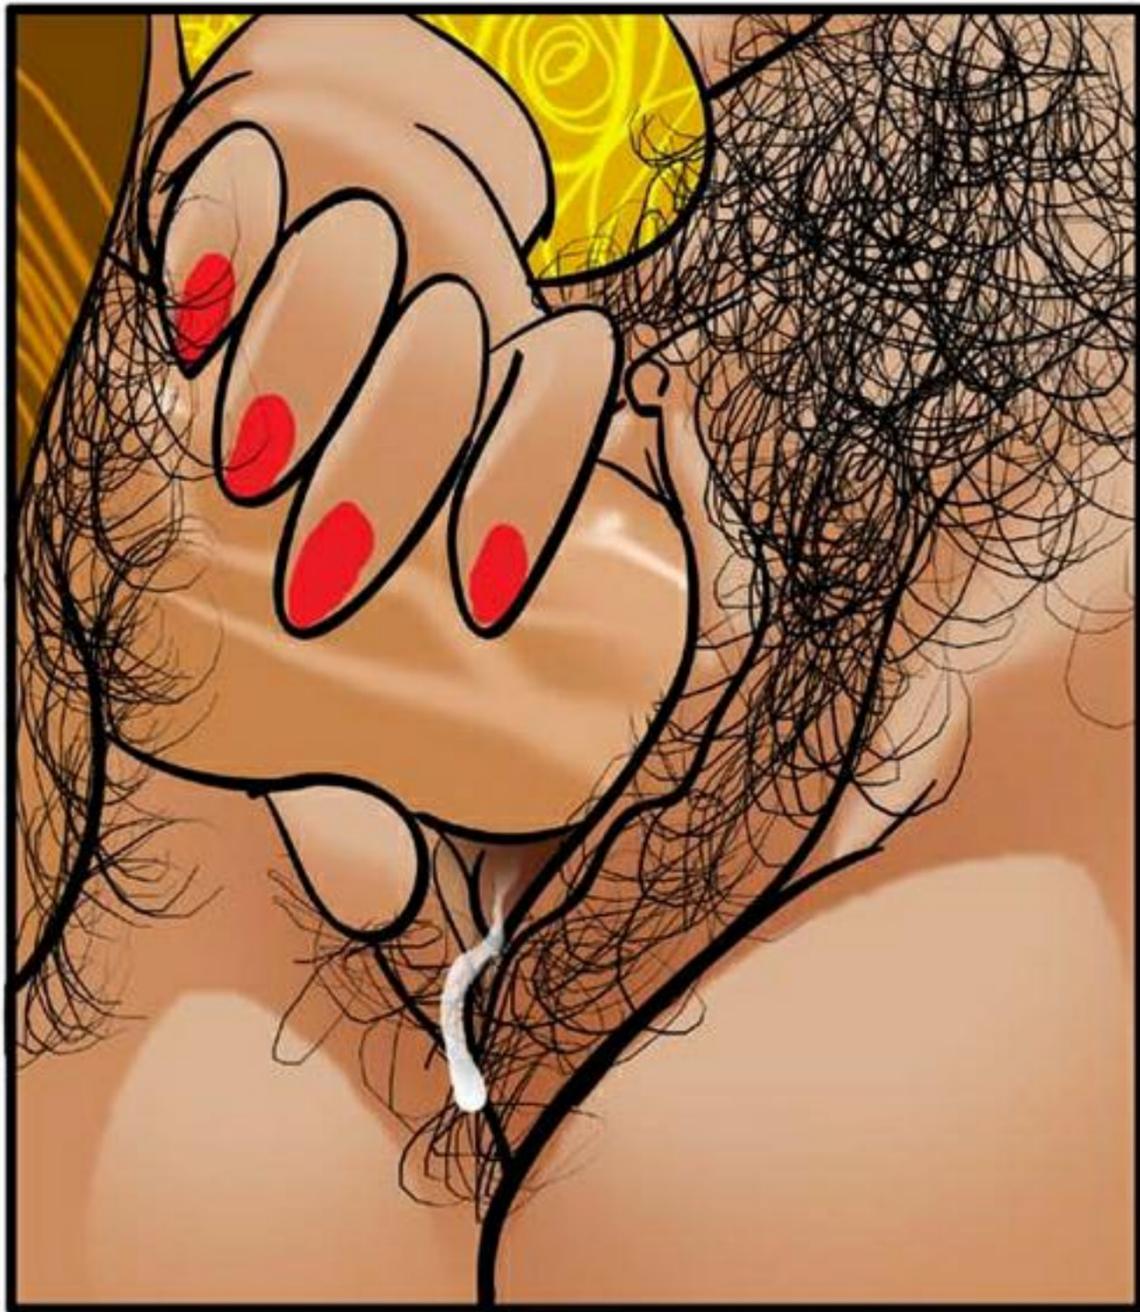

Take it out

I'm about to cummmmm

I have to take it out

Later

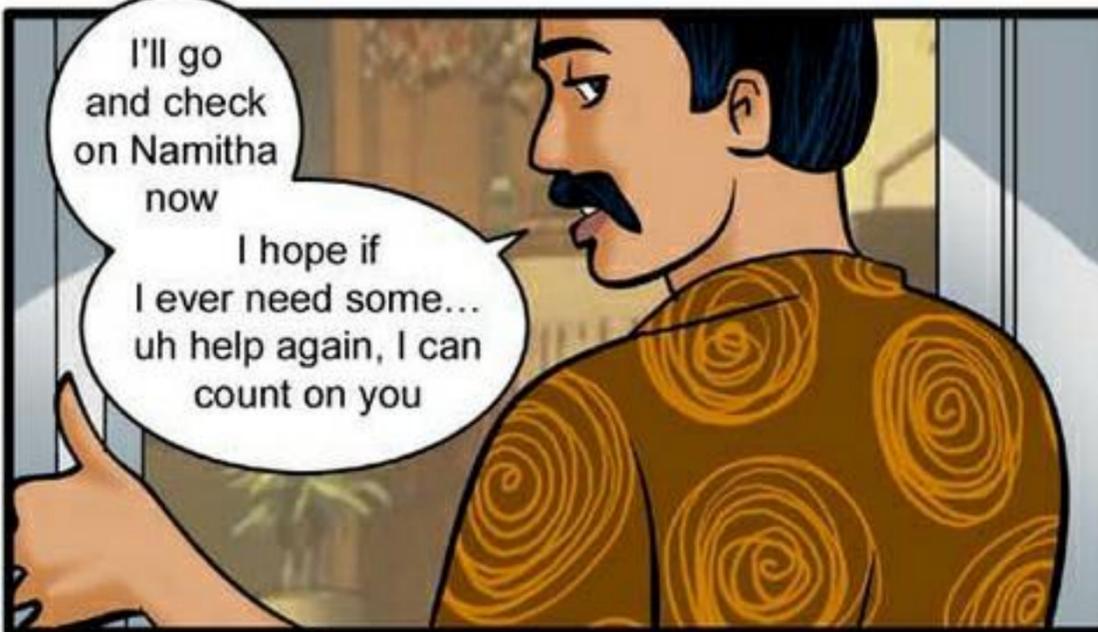

I hope I have managed to satisfy your needs

But please make sure this never reaches anyone's ears

Of course not Chechi. Thank you so much for doing this for me I feel so relieved

I'll go and check on Namitha now

I hope if I ever need some... uh help again, I can count on you

Did I do the right thing?
